**DAVENPORT - ODESSA - SPRAGUE MAKE YOUR VOICES HEARD!**

The Davenport, Odessa and Sprague Chambers of Commerce are working on a community assessment survey that they hope will inform and inspire their decision-making and, hopefully, decision-making throughout in their communities. All residents of Davenport, Odessa and Sprague are invited to engage in the process and help drive the future of their communities!

Residents of all ages are invited to participate by taking the survey available at <http://avista.surveysby13ways.com/> between now and December 20

Please encourage friends, families and coworkers to take the survey, too! Done in partnership with Avista Utilities, the survey is built on a popular book titled "13 Ways to Kill Your Community" which looks at 13 ways that communities across the nation unintentionally limit growth and opportunity.

The surveys are anonymous and, once completed, the responses will be combined, analyzed, and turned into suggestions that will be shared with the public and the Chambers of Commerce.

**"Regardless of the situation, a community's future truly rests within its own populace and their desire to achieve success. It is just that simple."**
