### ANOTHER UPDATE FROM THE DAVENPORT SCHOOL DISTRICT:

Parents and students:  
 Please know we appreciate you and everything you are going through during this unique time period.  
 Hang in there!

- Please take a few minutes to go the home page of our website ([www.davenportsd.org](http://www.davenportsd.org)) and read the "Dear Gorilla Family" letter to parents and students. This letter contains some timely information that we want you to know about.
- We are continuing with our meal service each week day. Meal pick up is 9-11AM at the middle school. Meal delivery is also taking place on bus routes.
- We are working hard to help with addressing internet connection and availability issues for students and families. We are in the process of exploring implementing "hot spots" and other measures to hopefully increase broadband access.

Stay tuned for more updates on this important topic.

Thank you for your continued support

**ADJUSTMENTS MADE FOR COVID-19 AT LINCOLN HOSPITAL AND CLINICS**

*Patients are encouraged to continue seeking care for their healthcare needs*

Lincoln Hospital and Clinics have been working tirelessly over the past few weeks to protect patients and employees from COVID-19 and prevent a community outbreak of the disease. In the event that an outbreak should occur in Lincoln County, Lincoln Hospital would be the frontlines of medical care for our communities. However, they stress that patients should not neglect their healthcare needs during the pandemic.

“We don’t want to create other health issues by putting off routine and preventative care or chronic disease management,” said Jennifer Larmer, Chief Clinical Officer at Lincoln Hospital and Clinics.

“Like many hospitals and healthcare providers are doing right now, we have considered how to best protect our community and staff immediately and what needed to be put into place should an outbreak occur in Lincoln County,” Larmer said. “We’ve been working closely with the Lincoln County Health Department and the Washington State Hospital Association, as well as utilizing CDC and Washington State Department of Health resources to determine the best course of actions to take.”

While precautions can change daily as more is learned about the virus, Lincoln Hospital is currently taking the following actions to protect patients and employees, and to preserve limited personal protective equip-

ment (masks, gowns, gloves, and goggles):

- The Wilbur Clinic location is closed to the public until April 6th. At that time, supplies and resources will be reassessed and it will be determined if an extended closure is needed. Any patients with scheduled appointments until April 6th have been notified by phone to either reschedule or attend their appointment at our Davenport Clinic location. Virtual visit options for appointments are being utilized in a limited capacity for appropriate visits. The phone line for the Wilbur Clinic will remain staffed.
- Lincoln Hospital and Clinics are striving to prevent an outbreak in our community while still providing routine care by isolating patients with respiratory illnesses who need appointments in the clinics. All patients who have appointments to address respiratory symptoms will be scheduled at a respiratory screening clinic located in an isolation area at the Davenport Clinic. Patients will be asked to park at the back of the Davenport Clinic and enter through the back door where they will be seen in a separate, quarantined part of the building. This is in an effort to address concerns and prevent spread of COVID-19 while also continuing to provide care for patients with other health needs. Lincoln Hospital and Clinics do not want to contribute to a different kind of health crisis by not caring for patients with chronic illnesses or other health issues during this time.
- The Davenport and Reardan clinic locations will remain open for routine visits and chronic disease care. Please call to make an appointment, if you have the need, and notify the scheduler if you have any symptoms of COVID-19. Same-day appointments are still available, however, they can no longer accommodate walk-ins. Please call the Reardan or Davenport clinic to schedule a same-day appointment if you have the need to be seen that day.
- All patients will be screened upon arrival at the health campus in Davenport. Whether you are accessing the hospital or the Davenport Clinic for your regularly scheduled appointment, you will be screened by a health professional at an outside screening checkpoint and directed on where to enter the facilities:
- Lincoln Hospital Emergency Room and Ambulance will enter through the main entrance at the front of the hospital.
- Lincoln Hospital outpatient care (Lab, Imaging, Outpatient Nursing Services) will enter through the southwest entrance (usually reserved for the ambulance).
- Davenport Clinic patients with appointments who do not have respiratory symptoms will enter through the Davenport Clinic’s main entrance.
- Patients from the Reardan or Davenport clinics who have respiratory symptoms and have an appointment at our screening clinic will enter through the back door of the Davenport Clinic. (Continued on page 5)

**PATIENTS MUST BE SCREENED TO ENTER THE CLINIC**

**ADJUSTMENTS - continued**

- Physical therapy patients at Peak Fitness Physical Therapy location are being screened for COVID-19 symptoms upon check-in and may be asked to wear a mask and/or reschedule their appointment.
- The Lincoln Hospital Surgical Clinic, Pain Clinic and Orthopedic Clinic will be performing essential procedures, surgeries and clinic visits only. Elective surgeries are postponed. Procedures and surgeries that can be rescheduled for a later time will be notified. They are still accepting and processing referrals and staff is still on site to answer your care questions over the phone.
- Visitor restrictions are currently in place at Lincoln Hospital. No visitors are allowed to enter the facility with the exception of one parent to accompany a pediatric patient and one visitor for a patient experiencing end-of-life care. As of Tuesday of this week, there have been two confirmed COVID-19 cases in Lincoln County. The first case was tested in Spokane, recovered from the disease at home, and is no longer in quarantine. The second case was tested in the Davenport Clinic's screening clinic, is recovering at their vacation home in Lincoln County, and is being monitored by the Lincoln County Health Department and their healthcare provider. More information about Lincoln Hospital and Clinics response to COVID-19 can be found on their website at www.lincolnhospital.org.

**YOUTH CONSERVATION CORPS OPPORTUNITIES AT LAKE ROOSEVELT NATIONAL RECREATION AREA**

Lake Roosevelt National Recreation Area is now accepting applications for the 2020 summer Youth Conservation Corps (YCC) program. (See link below.) Nine YCC enrollees will be recruited. These positions will be located at Spring Canyon, Fort Spokane, and Kettle Falls. Please indicate on your application the area or areas that you are interested in working. Positions are open to young men and women who have attained the age of 15 but must not have reached the age of 19 during the term of employment. This will be a non-residential camp, and all enrollees must provide a social security number prior to entrance into the program. The estimated period of employment is estimated at this time to be June 15, 2020 through August 7, 2020. Enrollees will be paid minimum wage for a 40-hour work week.

To apply, contact the National Park Service or a local high school for a YCC application form. Forms are also available through <https://www.nps.gov/subjects/youthprograms/ycc.htm>. In light of the ongoing COVID 19 situation, applications will only be accepted through mail or email. All of our offices are currently closed to the public. Applications must be postmarked by Friday, May 23, 2020. Please send completed applications to: National Park Service, 1008 Crest Drive, Coulee Dam, WA 99116. For further information, contact Matt Hendrickson at 509-991-0119.

A HUGE THANK YOU to our local Volunteer Fire Department crew for their fast response to our roof fire this past Sunday. We are beyond grateful for our community of friends, Lance, Chad, Travis & Tim for helping cover the damage with tarps in that awful rain & wind storm. Chad & Maddi, we appreciate you so much for making dinner and taking our little guy during all the chaos. Thank you isn't enough to Dirk & Cass Jacobsen for seeing the flames while driving by and jumping into action. I've never seen someone climb a ladder so fast! We appreciate all the phone calls, texts & messages from those ready to help if needed.

~ Jesse, Jill & Jett Morrison

**we have the cure for COVID-19.**

April Fools. We don't have the cure, but we got your attention.  
 We want to remind you:

- ✓ **STAY HOME, STAY HEALTHY.** Unless you need food, medical care, or are essential workforce, stay put in your home. Walks while practicing social distancing are encouraged. Pay attention to your mental health and reach out if needed.
- ✓ **Stay 6-Foot Away From Others.** Otherwise known as social distancing.
- ✓ **Wash Your Hands.** Regularly. Every time you go into public. Every time you come home. Soap and water work great. Hand sanitizer does too.
- ✓ **Accurately Educate Yourself.** Make sure your information about COVID-19 is coming from reputable sources: CDC, DOH, WHO.
