TEDD TO PROVIDE GRANTS FOR LOCAL MICROENTERPRISES:

The Tri County Economic Development District (TEDD) is pleased to announce that **local small businesses will be able to apply for a Microenterprise Opportunity Grant of up to \$5000.00** beginning Monday, May 18. The Microenterprise Opportunity Grant funds are available for business owners that have been impacted by COVID-19, and are meant to help stabilize small businesses in our community.

When the Community Development Block Grant (CDBG) funds from the Washington State Department of Commerce became available to Stevens County, the Stevens County Commissioners felt the best use of these dollars would be to provide some relief to local small businesses. Distribution of the funds will be in the form of Microenterprise Opportunity Grants, administered by Tri County Economic Development District. TEDD Executive Director, Jeff Koffel, commented, "These grants will bring some much needed relief to small businesses in our region during this challenging time."

Qualifying businesses located in Ferry, Stevens, Pend Oreille, and Lincoln Counties are all eligible to apply. To request assistance you must meet the program requirements, submit required documentation, **on or before May 29, 2020**. Funds are available on a limited basis. Submitting an application is not a guarantee of assistance. For your privacy, information collected will remain confidential, used only to meet federal and state record keeping requirements, and withheld as applicable from disclosure. Applications and more information is available on the TEDD website, www.tricountyedd.com.

For more information on business concerns during this time, please follow TEDD on Facebook, call 509-684-4571, or e-mail admin@teddonline.com.

The mission of TEDD is to promote economic resiliency, job creation, and business retention through maintaining and developing business, tourism, community, and area development while preserving the culture and environment of the tri county region.

LIND FIELD DAY: Due to current social distancing requirements, this year's annual Lind Field Day has been cancelled. This is only the second Lind Field Day cancellation in 105 years; the other cancellation was in 1980 following the Mount St. Helens eruption.

Video presentations of some of the latest agricultural field research findings (including wheat breeding and variety testing) at Lind and several other locations throughout eastern Washington will be made available by WSU within the next month or so. In addition, the WSU 2020 Dryland Research Abstract booklet will be produced in digital format. These videos and articles will be posted on several sites, including the WSU Small Grains website. We will also send you links to these videos and articles in a follow-on email message.

Shout out to neighbors at 10th & Morgan: from Easter bunnies and spring flowers, birthday celebrations & sidewalk chalk drawings! Always brings a smile!

I'm thankful my husband just celebrated his one year birthday since a double coronary bypass! And we're both grateful for his post-op care by Dr. Chad Mongrain at Lincoln Hospital Clinic! ♥
~Susan D. Grace

I would like to say Thank You to Tina Caldwell of Infinity Rose Photography for graciously taking last minute senior photos of kids so that we could complete our banner project for the Reardan Class of 2020. Tina offered her services without question and asked nothing for it, and we truly appreciate her kindness ♥ This will be a special memory for these kids for years to come. ~Shannon

MANY THANKS to all involved in providing free school lunches, from the lunch ladies to the bus drivers! One less thing for parents to think about... Also thank you to the entire staff at Davenport School District-- you are truly wonderful and appreciated!

Request out of love:
Please take a moment to send a thank you/silent hero card to my cousin, Muriel Ray (address below). Muriel is a true hero! She is caring for multiple Covid-19 patients in a care facility. While she is almost 60, has severe allergies, and recently had a cornea transplant, she is caring for those in need, often covering the night shift alone. The struggles are real. I know a word of encouragement would lift her spirits. Lifting her up in prayer - thank you and God bless,
~Theresa Musgrove

Here's a shout out to a fabulous group of people at Harrington School: Thank you to Mr. Massie and Mrs Clouse for your hard work and dedication during this unusual time. For all you teachers for supporting us "Mr." Dad's and "Mrs." Mom's with caring hearts and listening ears. You continue to make this unexpected homeschooling as easy as possible. For the lunch ladies for your daily dedication in keeping so many of us fed! The bus drivers for making daily drives to our homes with meals and school work, always with a smile. We appreciate you! For you ladies in the front office with administrative work, keeping everything going smoothly. Thank you! For you staff who give extra special care helping kids...you're wonderful! And there's always maintenance - to you who do that job - keep up the fabulous work! Our team at Harrington is A+! Thank you all!!! ~A Harrington parent
