REARDAN MULE DAYS 2020 CANCELLED DUE TO THE CORONAVIRUS PANDEMIC

The Reardan Mule Days celebration was scheduled for June 6th, 2020. This community event always celebrates the end of the school year and the beginning of summer and is a way to unite our local community while sharing the day with those who travel here from outside of the area.

The Reardan Mule Days Association met recently to discuss how to plan and proceed in light of the COVID-19 outbreak. After much discussion and thought, the extremely difficult decision was made to cancel this year's Reardan Mule Days for only the second time in its 116 year history, the other being during World War II.

For those who were planning on participating in Reardan Mule Days this year, be assured that all pre-paid event fees will be fully refunded.

This situation is extremely hard on all of us. As a community, we are sad and disappointed, but also hopeful, because we know that we are much stronger than this setback and in the fall we will begin planning for our **June 5th, 2021** celebration.

~ The Reardan Mule Days Association

Please visit our website at reardanmuledays.net and facebook page at Reardan Mule Days.

Despite the enormous disappointment, we ask everyone to follow their local government's guidelines closely. Stay at home, wash your hands, and keep your distance from one another. Do it for yourself, your loved ones, and to guarantee a speedy end to this pandemic. Take good care of each other and stay safe.

Harrington School District Child Find Screening

Are you worried about your child's development ?

- Does your child have a medical disorder or birth defect that interferes with their development?
- Does the child seem to have hearing or vision issues?
- Does your child have difficulty communicating with people outside the family?
- Does your child have difficulty keeping up with other children their age?
- Does your child have issues learning when they are experiencing social-emotional difficulties?

Any child, birth to five, whose family or caregivers would like more information about their child's development can contact their local district to receive a free Child Find Screening.

What happens during a Child Find Screening?

The purpose of a Child Find Screening is to identify issues that may affect your child's learning, growth, and development and to help parents identify their child's strengths and weaknesses. During the screening, your child may stack small blocks, cut with scissors, draw, count, name colors, jump, and have fun! After the screening, someone will talk to you about the results and you may be given suggestions, a referral for more testing, or scheduled to have skills rechecked later. You will have the chance to ask any questions about your child's development. The whole process takes about 45 minutes!

Where can I go for screening?

All school districts in Washington State have Child Find Screenings available. **Due to the COVID-19 school closure, in person screenings will not be held this spring.** Please contact the school and we will schedule a time for you to come in for screening as soon as available. For more information and to schedule a screening, please contact Will Christianson:

Harrington School District
100 S. First Street Harrington, WA
509-253-4331
wchristianson@harringtonsd.org

If your family is living in a temporary situation, you may contact the district where you are currently staying for a screening. WAC 392-172A-02040 - School districts shall conduct child find activities calculated to reach all students with a suspected disability for the purpose of locating, evaluating and identifying students who are in need of special education and related services, regardless of the severity of their disability.

RUSSELL SELLARS WILL BE 95 YEARS YOUNG ON JUNE 12, 2020.

Russ is a veteran of World War II, serving on the USS Callan. He retired from the Creston School District after 35 years, served as Creston fire chief for 29 years, and was a Creston City Councilman. Because of social distancing, his family is unable to invite you to the open house they had planned for his birthday.

Greetings can be sent to Russ at PO Box 79, Creston, WA 99117.
