The Lincoln Hospital Foundation would like to thank everyone who so generously contributed in 2019. Donations throughout the year from hundreds of individuals, families, businesses, and organizations, and the support for our Spring Benefit and Sharing Hearts Luncheon made it possible to fund the purchase of a Flash Autoclave (\$20,000) and much needed surgical cameras and screens for Lincoln Hospital's expanding surgical department (\$18,000).

We are also extremely grateful for the many bequests and donations that have been given to our Endowment for over 30 years. We look forward to actively building this fund to make a significant impact at Lincoln Hospital.

In order to best use the dollars given, we have elected not to publish individual names so that all donations can be used to fulfill our mission to support and enhance the care available at Lincoln Hospital. All donations are recorded in a special book located in the Family Room at the hospital.

Thank you again for your generous support.

SUPER BOWL TRIVIA

- In odd-numbered Super Bowls, the NFC team is the designated "home" team while AFC teams enjoy that honor during the even-numbered Super Bowls.
- In Las Vegas, more than \$115 million is (legally) bet on the Super Bowl every year.
- A new Vince Lombardi Trophy is made and handed out every year. They are made by Tiffany & Co. out of sterling silver, weigh seven pounds, are 21" high, and worth \$25,000.
- There has never been a shutout in the Super Bowl. The Miami Dolphins came closest in 1972 when they lost to Dallas, 24-3.
- Lamar Hunt, the former owner of the Kansas City Chiefs, came up with the roman numerals system. NFL officials wanted to avoid confusion because the championship game is played the year after the corresponding season has ended. The tradition began with Super Bowl V in 1971 and has continued ever since.
- On Super Bowl Sunday there are approximately 8 million pounds of guacamole eaten. To dip in the guacamole, approximately 14,500 tons of chips are consumed.
- The San Francisco 49ers is the only team to have played in more than one Super Bowl and to have no losses. They are currently at five wins and no losses.
- Super Bowl Sunday is the second-largest day for food consumption in the U.S. Thanksgiving Day is the first.
- "I'm going to Disney World!" started as a \$75,000 marketing stunt. In 1987, former Disney CEO Michael Eisner offered both starting quarterbacks in Super Bowl XXI, Phil Simms and John Elway, \$75,000 to say the now-iconic phrase if their team won the big game.
