DHS FBLA LIFE JACKET DRIVE:
 Throughout November, Davenport FBLA has been busy with the start of their Community Service Project. Co-chairs Samantha Odenrider, Sawyer Raugust and Beau Copenhaver have connected with School Resource Officer, Mr. Dain Harden, in the education of elementary students (grades K - 5th) in regards to life jacket safety. Topics that Mr. Harden covered with the elementary students included how to properly wear a life jacket, making sure it fits appropriately, and the importance of wearing a life jacket.
 The project co-chairs surveyed 2nd – 5th grade students and roughly 12% of elementary families don't own their own life jacket for their student. Many of these students without a life jacket go to the local pool where they have to borrow one from the facility.
 Davenport FBLA is hosting a jacket drive January 8th – 19th. You can drop off life jackets at the Davenport Elementary, Middle and High School offices during this time period. We are excited to support the local pool with life jackets for the individuals who are in need of one.
 We would like to thank the teachers and students for their participation in Davenport FBLA's Community Service Project, as well as the community for supporting our Community Service Project.

EXPERIENCE YOUR AMERICA

The National Park Service cares for special places saved by the American people so that all may experience our heritage. 2024 boat launch permits are now available for \$45 and good through December 31 st of the year posted on the permit. There is no change to our weekly boat launch permits. They are only available online through <https://www.pay.gov/public/form/start/656441199>. Weekly permits are \$8 for seven consecutive days from date of purchase and can be purchased before you leave home. Boaters with an America the Beautiful Annual or Lifetime Senior pass or Access pass are eligible for a 50% discount on the \$8 fee. Make sure to bring your receipt number to fill out the blue slip available in the bulletin boards at each boat launch.

Just a reminder that whether you have an annual or weekly permit, you are required to complete a neon pink aquatic invasive species mussel free certification form before launching any watercraft at Lake Roosevelt National Recreation Area. This is part of an on-going campaign to raise awareness of and prevent the introduction of all aquatic invasive species into Lake Roosevelt and the Columbia River. If your form is not filled out and properly displayed on your tow vehicle dashboard, law enforcement officers will issue a citation. For more information, check the Lake Roosevelt National Recreation Area website at www.nps.gov/laro.

BROADBAND WEB PAGE COMING SOON

Lincoln County will be adding the broadband office to their existing county website in early 2024. Broadband office contact information will be easily accessible, as well as updates on current and future network construction, by visiting co.lincoln.wa.us and selecting the Broadband tab. Until then you can reach the office by email (lcbroadband@co.lincoln.wa.us) and phone (509-215-7837.)

This broadband project update brought to you by the Lincoln County Economic Development Council

“Winter is a season of recovery and preparation.”~ Paul Theroux

“Thank goodness for the first snow, it was a reminder–no matter how old you became and how much you’d seen, things could still be new if you were willing to believe they still mattered.”
~ Candace Bushnell

“I love the scents of winter! For me, it’s all about the feeling you get when you smell pumpkin spice, cinnamon, nutmeg, gingerbread and spruce.” ~Taylor Swift
