WANT A BALLOT TO VOTE?

There are hundreds of ballots that get returned by the Post Office each election to the County marked UNDELIVERABLE, moved out of County, or moved out of State.

Make sure the Lincoln County Elections Dept. has your current mailing address.

They can be reached at 725-4971 or go on-line to <https://www.co.lincoln.wa.us/auditor/elections/>

Ballots for the General Election will be mailed out soon. Contact the LC Elections office for assistance.

Paid for by the Lincoln County Republican Central Committee

What is B.E.A.D. funding?

The Broadband Equity, Access, & Deployment Program (BEAD) is part of the 2021 Infrastructure Investment & Jobs Act. Over \$1.2 billion in BEAD funding is available to our state to expand high-speed broadband infrastructure and Internet adoption. Lincoln County will work hard to secure some of this funding so that we can reach beyond our current projects to more of our unincorporated areas.

This broadband project update brought to you by the Lincoln County Economic Development Council

“AUTUMN IS A SECOND SPRING WHEN EVERY LEAF IS A FLOWER.”

~ Albert Camus

Congratulations, Lincoln County!

Big things are happening in Almira, Creston, and Harrington.

Your local Economic Development team has driven the expansion of high-speed broadband fiber infrastructure over the last several years - with a lot of work and funding from local groups and the state. Almira, Creston and Harrington will soon come online.

I'm Mike Kennedy, the President and CEO of Intermax Networks, and we will be one of your provider options on the new fiber network.

Our company is homegrown in the Northwest, we focus on rural communities, and we understand what it means to provide great technology and great customer service in areas that are overlooked by the big national companies.

From our roots in Sandpoint, Idaho we have grown from the Canadian Border to South Spokane County – which is our most recent expansion site. We are a rural provider, and we are committed to the small towns in our service area.

Now we are adding service to places in Eastern Washington that have new fiber infrastructure built over the last few years.

You deserve the same fast, reliable internet that people in Spokane, Coeur d'Alene, and Seattle have. We are here to provide it.

In the coming months we will be introducing ourselves to all of you. We will show how a growing company based in Coeur d'Alene has built a well-engineered network with a focus on great customer service.

I hope you'll give us a chance to prove ourselves to you, and feel free to call or email us with any questions. Check our website at: intermaxnetworks.com/about-us for more information and to sign up for updates.

We can't wait to work with you!

Sincerely,

Mike Kennedy
