WHY I'LL BE VOTING JEFF BARKDULL FOR SUPERIOR COURT JUDGE

In the coming weeks, the Citizens of Lincoln County will be called upon to cast their vote for their next Superior Court Judge. Few races this November will be as important to the lives of the citizens of Lincoln County as this race between Jeff Barkdull and Dan Johnson.

I began serving as a Lincoln County Special Deputy Prosecuting Attorney in 2015 during which time I was responsible for the District Court docket. Over the next several years, I represented Lincoln County under the guidance of the Lincoln County Prosecutor, Mr. Jeff Barkdull. On a regular basis I served in front of District Court Judge, Dan Johnson. Consequently, I was privileged to develop a unique and, I believe, fair opinion of both candidates currently running for Superior Court Judge. While both candidates are fine men, I will be casting my vote in favor of Mr. Jeff Barkdull.

Mr. Barkdull has served as the Prosecuting Attorney for Lincoln County the last nine years. While serving in this capacity Mr. Barkdull has made a very positive influence on our county. This positive influence extends well beyond the walls of the courthouse. Mr. Barkdull has not only served as Lincoln County's Prosecuting Attorney, he is a valued member of our community. As such, he is familiar with the principles and values we all hold dear. His familiarity and understanding of what is important to the residents of Lincoln County makes Mr. Barkdull the best candidate to represent our interests and uphold our ideals. It is for this reason that Mr. Barkdull's most important endorsements come from the citizens and leaders of this county, rather than from citizens spread across our state.

The position of Superior Court Judge requires an expert's understanding of the law in order to ensure a trial is conducted appropriately and the rights of the parties are protected. It requires judgment in order to determine when to be firm as well as when to exercise understanding and mercy. It requires the strict temperament necessary to control the courtroom, but the flexibility to ensure a client can be represented in the manner their attorney feels is best. It requires the legal experience to properly apply these principles, as well as the local experience to represent the unique will of our county. Mr. Barkdull's knowledge, temperament, experience and judgment make him the clear choice for our next Superior Court Judge.

Finally, in addition to the traits discussed above, a Superior Court Judge must be a man of unimpeachable character. Years of working closely with Mr. Barkdull, leads me to believe he possesses both the character and integrity necessary to serve as our next Superior Court Judge. Mr. Barkdull will make the right decision, not only when it is easy, but when it is hard. This is the difference between whether a Judge will merely be competent, or if they will be wise. Mr. Barkdull will, in my opinion, not only be a competent judge, but a wise one.

Lincoln County has been my home for most of my life. It is where I choose to raise my children. As such, I care deeply and personally about its future as well as those whom we elect to represent us. It is with this in mind that I will be voting for Jeff Barkdull to serve as our next Superior Court Judge and I am, therefore, proud to endorse him.

PLEASE VOTE YES FOR SPECIAL LEVY FOR LINCOLN COUNTY CEMETERY DISTRICT #7 AKA Maccabee Cemetery

The cemetery district operates on a very limited budget and needs additional funds to continue to update projects in the works and maintain the grounds. The pump electrical system was updated this year, a new location information board was installed with an updated list of graves (this was part of Hannah Brittain's senior project), and temporary row markers have been placed. The board is looking to redo the road next year, as well as get permanent row markers done and placed, and get an entranceway done in the next couple of years for Lakeview Cemetery. Thank you for your support

Elect District Court Judge Dan B. Johnson as your Superior Court Judge

District Court Judge

HERE'S WHY:

LEGAL EXPERIENCE: Judge Johnson has prior experience as a Deputy Prosecutor, and city attorney, serving in Stevens County for over 6 years, and has been a trial attorney for almost 40 years. He has handled several hundred jury and non-jury trials, and arbitrations. Many of the kinds of cases that he has handled include relevant areas of the law involved in Superior Court, including numerous family law/Divorce trials, personal injury claims and trials, real estate law, dependency actions, and criminal practice as a defense and appellate attorney, including arguing and winning a case at the **United States Supreme Court** in 2013. He previously served as a court appointed defense attorney in Lincoln County since the mid 1990's, and resides in Lincoln County, with his wife.

JUDICIAL EXPERIENCE: Judge Johnson has been the District Court Judge since July 1st, 2015 and handles several thousand cases each year as the Judge, including issuing search warrants and handling first appearances on criminal matters. He serves as the Elected Pro Tem Judge in Superior Court. Judge Johnson was honored by his peers at the District and Municipal Court Judge's Association, by being twice elected to represent the organization on the Board of Judicial Administration, a statewide board of judges from all levels, where he currently serves.

In his over 5 years on the bench, Judge Johnson has provided justice and fairness for the people of Lincoln County in thousands of cases. He has also served as judge Pro-tem in other courts.

By becoming Superior Court Judge, Dan can use his 40 years of Legal experience to make legally correct and fair judgments in all of these areas. Dan has practiced in most of the legal fields that a superior Court Judge hears. **He won't have to "learn on the job" neither how to be a judge, nor what the law requires in a particular type of case.**

"I believe that my judicial experience over the more than 5 years since I became a Judge, and my almost 40 years of experience as a trial attorney in many relevant areas of the law leads me to the next step in my career and would allow me to apply and draw on those experiences for the benefit of my fellow citizens of Lincoln County, Washington".

TIPS FOR A HEALTHY, HAPPY HALLOWEEN

Many of our favorite Halloween traditions could increase our risk for getting or spreading COVID-19. We are asking Lincoln County residents to incorporate healthy habits into their celebrations this year.

Halloween should be spooky, but not because of COVID-19!

SAFEST LOW-RISK ACTIVITIES

Celebrating at home with your household

-  Have a scavenger hunt with treats hidden around the house or yard.
-  Dress up and break out the snacks for a spooky movie marathon.

Gathering with friends online

-  Host a virtual costume contest or pumpkin carving party.

SPOOKIEST HIGHER RISK — NOT RECOMMENDED!

Crowded halloween parties and events

-  Lincoln County is in Phase 3, meaning gatherings should be limited to 10 or fewer people from outside your household.

Indoor haunted houses (not permitted this year under Safe Start)

Door-to-door trick-or-treating, especially in large groups

IDEAS FOR SAFER TRICK-OR-TREATING

IF YOU GO TRICK-OR-TREATING

- Stick with members of your household.
- Maintain at least 6 feet of distance from people in other groups.
- Incorporate a snug cloth face covering into your costume.
- Wash hands before and after and bring along hand sanitizer.

IF YOU HAND OUT TREATS

- Create grab bags of treats.
- Set treats on a table outside and greet visitors from a safe distance, or try a creative approach, like sliding candy down a long tube.
- Place markers on the ground to help visitors stay 6 feet apart.

BE CREATIVE, BE HEALTHY

However you decide to celebrate, please keep these tips in mind:

- Fewer, shorter interactions are safer.
- Outdoors is safer than indoors.
- 6 feet apart is safer than shoulder to shoulder.
- Wearing face coverings is safer than not wearing face coverings.
- **Don't gather with others or invite visitors if you are feeling sick!**

LAKE ROOSEVELT NRA IS LIFTING THE FIRE BAN EFFECTIVE AT 12:01 A.M. ON FRIDAY, OCTOBER 16, 2020

The recent autumn rains are enabling Lake Roosevelt National Recreation Area to lift its fire ban. Effective at 12:01 a.m. on Friday, October 16, 2020, the fire ban at Lake Roosevelt NRA is lifted throughout the Park. As always, we encourage safety with any outdoor fires. Please see the Park's compendium for normal fire restrictions on Page 12 at: <https://www.nps.gov/laro/learn/management/upload/2020-Compendium-FINAL-5-12-2020-w-maps-508.pdf>.

Thank you

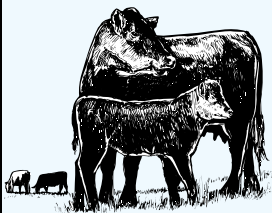

I ask everyone's forgiveness for being late on getting this thank you into the paper. Since the fire it seems we've been going non-stop! It's amazing how in a few minutes you can lose so much and get set back so far. But it is raining this morning and God has made it so that I'm sitting back and counting our blessings.

We'd like to thank the fire crews and volunteers, along with the Inland Power and contract crews who all did so much. Also, thanks to Lincoln Sand and Gravel/Luke Brown & the Jacobsen's for the amazing cleanup at both Jack's place and Sandy & Evelyn's; too. Mark, Zerita & Luke Hammond, Jeff & Kellie Scharbach and Hunter who helped with the cleanup and food for the cleanup at the greenhouses; and to Chris Tareski for her truck. Also, to Denise Hayes and the quilting group: thank you for the thoughtful and beautiful quilt; what a treasure on some dark days.

We lost 700 plus tons of hay, so much pasture and fencing, my shop, the 86-year-old horse barn that my Granddad built from the timber on this ranch, and numerous other buildings. Evelyn lost all her greenhouses, all the equipment and supplies. But we are so very thankful we all still have our homes and that no one was hurt or had loss of life.

But then additional miracles start to emerge. We didn't lose a single cow, there weren't any burnt at all, and the horses were also spared. Another amazing thing we've seen: As we watch the news from cities like Seattle and Portland, we see people who don't know someone, they have no idea what the other person is like, rioters vandalizing their business, their way of life, and looting their property, then setting it on fire. But here, after the fire, people we know opened up their hearts to help us. And there were people who we don't know, nor have never met, who gave incredible support to help us save our ranch, not destroy it. We don't have the words to thank you all appropriately, but hope we all take a minute to pause and appreciate the fact that this is where we live and what our wonderful community does for others. You don't realize just how much a gesture, offer, or donation can mean until you're on the receiving end of it. They are all huge and what a blessing.

If we missed thanking anyone it was purely accidental. There were so many who helped and offered to help, we don't want to overlook anyone. Everyone's kindness and generosity is so appreciated and such a blessing, we thank you from the bottom of our hearts.

May God bless every one of you.
Sandy & Evelyn Sterett
Jack Sterett & Linda Sterett Fogarty

LAKE ROOSEVELT NRA IS ENCOURAGING CLEAN-DRAIN-DRY THIS WATERFOWL SEASON

Autumn is here and that means waterfowl season is open on Lake Roosevelt and throughout eastern Washington. Detailed information about open seasons, bag limits, and other hunting regulations can be found on Washington Department of Fish and Wildlife's website at <https://wdfw.wa.gov/>.

In our on-going effort to preserve Lake Roosevelt's wildlife character, we are urging all sportsmen to do your part in keeping aquatic invasive species (AIS) out of Lake Roosevelt and all of Washington's waters.

"Aquatic invasive species can outcompete native species, alter the ecosystem, lower biodiversity, and impair recreation opportunities" says Lake Roosevelt National Recreation Area's aquatic biologist, Cassie Hagemann. "Invasive plants can clog intakes on motors and form thick mats that interfere with boating, fishing, and waterfowl activity." Hagemann recommends the use of non-felt soled boots to further reduce the risk of spreading aquatic invasive species.

If everyone who enjoys Lake Roosevelt, whether from the shore or from a boat, does their part to keep AIS out of the lake, we can all continue to enjoy Lake Roosevelt's rich recreational activities for many generations to come. To that end, we are asking you to:

CLEAN – anything that's been in the water including boats, motors, waders, decoys, and other gear or equipment. Remove any visible plants or mud.

DRAIN – pull your boat plug and drain all water from anything that might collect water including live wells, bait containers, decoys, motors, and other containers.

DRY – If you are going from one waterbody to another waterbody, first let everything that's been in the water dry for at least five days unless you can high pressure wash at 140 degrees.

Please remember that Lake Roosevelt NRA now requires all boaters to self-certify that they have cleaned, drained, and dried their watercraft before launching. Self-certification forms are located at all boat ramp kiosks.

The cost to self-certify is free but the expense of letting an aquatic hitchhiker into the lake can be incalculable.
