Thank you, generous community, for your ongoing support of the HARRINGTON OPERA HOUSE rummage fund-raisers. The quality, variety and quantity of your donated items is, simply put: WOW!

Opening a box is quite the experience for volunteers, finding such things as vintage jewelry lovingly wrapped, nestled in around a brand new, still in-box kitchen blender. A treasured collection of cat & kitten knick knacks from a local estate is gently pored over by many, lifting sweet words of remembrance. A vintage style roller-less cheese slicer was found after searching several boxes of kitchen drawer contents, gleefully ending that patron's long search for such a needful thing. "My grandmother had one of these", "Oh my, would you look at this" and "I haven't seen one of those in years!" are often heard. One of our favorites is, "Imagine that. I needed one of these, looked all over the big city, and here I find it in Harrington."

The donations in exchange for these items continues to astound and touch us. This spring, two new gas furnaces were added to the building. This winter, the plan is for electricity and lights for the room currently used for the rummages! Funds raised in these events goes toward such rehabilitation and building projects.

Thank you for your awesomeness!
