TO THE VOTERS OF LINCOLN COUNTY FIRE PROTECTION DISTRICT 7:
The Fire Commissioners are asking for your help to pass a levy lid lift. In the last 22 years our budget has ONLY gone from \$135,000 to \$168,000. That is a 22% increase while the cost of fire protection operations has increased over 300%. A levy lid lift is simply a restoration of the previous voter approved \$1.00 per \$1,000 of property valuation. In the year 2000 Washington Initiative 747 limited budget increases to 1% from the previous year. In 2000 we operated on \$1 per \$1,000 valuation, in 2022 we only received \$0.69 per \$1,000 valuation. That is simply not enough!

Fire District 7 has three stations (Creston, Lincoln and Wilbur) and has 470 square miles of fire protection area. We are the 3rd largest fire district (by area) in the state and operate on one of the smallest budgets. The risk of having a catastrophic fire increases every year, and our Fire District needs to be able to keep up with escalating costs.

Example of how this levy lid lift will affect you.

2022 Tax Year		
Taxable Value	Rate (per \$1,000)	Cost
\$100,000	\$0.69	\$69.00
\$200,000	\$0.69	\$138.00
\$300,000	\$0.69	\$207.00

2023 Tax Year		
Taxable Value	Rate (per \$1,000)	Cost
\$100,000	\$1.00	\$100.00
\$200,000	\$1.00	\$200.00
\$300,000	\$1.00	\$300.00

every year, and our Fire District needs to be able to keep up with escalating costs.

We must be able to provide new personal protective equipment for the safety of our volunteers, upgrade/maintain vehicles, recruit and retain new volunteers, as well as provide necessary training for our firefighters.

Please vote YES for the Fire District 7 Levy Lid Lift
