ELECT

DON STALEY
 FOR FIRE COMMISSIONER
 District Five

As your District 5 Fire commissioner, my priorities are many. I have been active in the Fire Prevention community here for over 12 years and in a leadership role for over 5. I've been on the front lines many times and saw the need to focus on the teams on the ground. These hard-working volunteers consistently remind me of the need for additional training, improved processes, and a renewed commitment to safety. I bring a unique skillset in construction methodology that aids in prevention and safety practices. As a businessman I am keenly aware of the importance of disciplined fiscal responsibility, managing resources effectively, and looking for additional funding sources such as grants.
 As your District 5 Commissioner I look forward to working with all in Lincoln County.
