Why is Lincoln County's fiber network going to be "open access"?

A broadband network is considered open access when the owner is not an internet service provider (ISP). These networks are viewed as a practical way of deploying broadband in rural, low population areas where it is difficult for ISPs to get sufficient return on investment. When they don't have to build their own infrastructure, more ISPs are able to serve more customers they might not otherwise reach.

This broadband project update brought to you by the Lincoln County Economic Development Council

Stop by and wish **Ed Benhardt** a happy 70th birthday!

QUILT SHOW AT RAILROAD MUSEUM
 Quilters and railfans alike will enjoy a special weekend October 6-7-8 when the Inland Northwest Rail Museum sponsors its Sixth Annual Quilt Show from 11 am-4 pm all three days. It's a chance to learn railroad history, take a train ride, tour the museum and view the quilts on display. A special admission of \$8 for adults, kids 5-12 \$6, 4 and under are Free. This is the sixth annual quilt show event at the museum and response has been overwhelming. The quilt show is for fun!...no entry fees, no categories, no limit for entries. Visitors will pick their favorites resulting in People's Choice Awards. There is also a Quilt Challenge with a prize for visitor's favorite. The theme this year is "Railroad Signals". Quilts will be on display throughout the museum so you will be able to learn Inland Northwest Railroad History as you wander throughout the building looking at quilts. The museum specializes in preserving the history of Inland Northwest railroads. Rail cars and hundreds of pieces of memorabilia are on display. Gone are familiar railroad names like Great Northern, Northern Pacific, Spokane, Portland & Seattle, Central Washington, Spokane International, Milwaukee and many branch lines. Years of mergers and failures by area railroads are concentrated in the present day Union Pacific and Burlington Northern Santa Fe Railroads. Histories of each of those original railroads are on display at the museum in addition to the last existing Spokane streetcar. Normally open 10 am-5 pm, Friday-Sunday the museum's season runs from April 1st to December 10th this year. Any day is a great time to visit, but "Quilt Show Weekend" is a double barrel opportunity to visit the Inland Northwest Rail Museum, 27300 Sprinkle Road (25-miles west of Spokane, corner of Hwy 2 & 231 S), Reardan, WA 99029. (509) 796-3377 Visit their website at www.inlandnwrailmuseum.com
