Residents on the west side of the
county will see renewed broadband
activity between Wilbur & Almira
as crews begin splicing the
new fiber.

Splicing is the joining of two
ends of fiber cable together. You
will see black cylindrical boxes on
the aerial fiber that protect splices
from exposure, and you will notice
fiber lines between power poles are
tighter. This is the final step on this
section of the project.

This broadband project update brought to you by

HARRINGTON FBLA INVITES YOU TO TURKEY BINGO

BINGO! It's that time of year again when that joyous cry is heard in the Harrington School cafeteria when a community member discovers they have five-in-a-row crossing their bingo card. Harrington High School's FBLA (Future Business Leaders of America) chapter, partnered with the fabulous cooks from Harrington Homemakers, invite the community (and any other guests) to celebrate the Thanksgiving season with the perfect match of food and fun.

The festivities begin at noon with a menu of homemade cinnamon rolls paired with chili and baked potatoes prepared by our Harrington Homemakers. These generous ladies sponsor the Miss Harrington pageant and other great causes in our community. Any profit they make will go to help support these ventures.

At about 12:30 the Bingo bonanza begins. Bingo cards are purchased for only 50 cents a card. Once a bingo is called, the winner spins the wheel of fortune to see if they will take home a turkey, ham, pie, rolls or a selection from the cache of treasure donated by our generous sponsors. Earnings profited by the bingo sales go to help fund the travel expenses for FBLA members to the state and national conferences which take place in Spokane and Orlando this year. We are always welcoming new sponsors to supply us with more prizes! If you would like to help contribute to this, please call the school and ask for Mrs. Kruger, FBLA adviser for more details. We hope you will join us for an afternoon of community fun, laughter and exciting prizes at Harrington School on Sunday, November 12.

LUNCH WILL BE PROVIDED FOR ALL VETERANS AND THEIR SPOUSES

THE DAVENPORT SENIOR CENTER
will be holding its monthly board meeting on
Wednesday November 1st at 5 PM
at the Davenport Senior Center.

This meeting is open to the public and we invite you to come and participate in this community building event. **On Wednesday, we will be nominating and voting on Board Members for the upcoming year.** The incumbents will assume responsibility of their duties in January 2024. Currently we are looking for nominations and volunteers to fill the position of Vice President.

The following qualifications for membership and to hold a position on the board apply: you must have a strong love and passion for our community and you must meet the minimum age requirement of 40 years of age.

Please join us as we continue to strive to make a difference in the lives of our Seniors.

Congratulations, Lincoln County!

Big things are happening in Almira, Creston, and Harrington.

Your local Economic Development team has driven the expansion of high-speed broadband fiber infrastructure over the last several years - with a lot of work and funding from local groups and the state. Almira, Creston and Harrington will soon come online.

I'm Mike Kennedy, the President and CEO of Intermax Networks, and we will be one of your provider options on the new fiber network.

Our company is homegrown in the Northwest, we focus on rural communities, and we understand what it means to provide great technology and great customer service in areas that are overlooked by the big national companies.

From our roots in Sandpoint, Idaho we have grown from the Canadian Border to South Spokane County – which is our most recent expansion site. We are a rural provider, and we are committed to the small towns in our service area.

Now we are adding service to places in Eastern Washington that have new fiber infrastructure built over the last few years.

You deserve the same fast, reliable internet that people in Spokane, Coeur d'Alene, and Seattle have. We are here to provide it.

In the coming months we will be introducing ourselves to all of you. We will show how a growing company based in Coeur d'Alene has built a well-engineered network with a focus on great customer service.

I hope you'll give us a chance to prove ourselves to you, and feel free to call or email us with any questions. Check our website at: intermaxnetworks.com/about-us for more information and to sign up for updates.

We can't wait to work with you!

Sincerely,

Mike Kennedy
