HALME

CONSTRUCTION

We're looking for a great experienced heavy equipment field mechanic!

Halme Construction is a growing Civil Engineering Contractor in the Spokane area and needs more good people. This creates an opportunity for you to join our team!

At Halme Construction we have a passion for doing Innovative things together! We work to maintain a foundation of trust in a Family culture through effective open and honest communication. Our commitment to you is that we hold your safety and training as paramount, and we find our greatest job satisfaction in being a part of each team member's growth in their career. We strive to have an environment where everyone can grow according to their unique abilities and do what they want to do! A Professional, growing company is your best choice for career growth and stability. Through our commitment to our vision and values, we have a team of highly accountable individuals who achieve great results!

As an integral part of our Family values, we emphasize the importance of a strong work/life balance and a good life away from the workplace. We look to provide the best compensation package possible to support that goal.

Not just anyone can or will be a fit here at Halme Construction, but if you think you might be, then let's talk!

Must have a CDL, knowledge and experience with trucks & heavy equipment, and the ability to plan your own work.

Email hr@halmeconstruction.com or complete and e-mail an application on our website at www.halmeconstruction.com.

Applications for the Davenport Christmas Care Project are currently available for families who need assistance with gifts and a holiday meal for Christmas. The applications can be picked up at Rural Resources, NEW Alliance Counseling Center, Lincoln County Health Department, and the post office in Davenport. There is also the option to fill out and submit the application online at www.davenportwa.us. The application link is in the green box on the upper right side of the web page. This year's deadline for applications is November 15th and organizers stress the importance of getting applications in on time so families have a better chance to have their needs met.

In past years, the Davenport community has always pitched in to help with this project by filling tags from the sharing trees. The project is thankful for that continued support and would appreciate participation again this year. Organizers say volunteers will be needed in December to help wrap presents and, of course, individuals and groups are encouraged to pick up tags from the sharing trees to fulfill needs. Sharing trees will be set up at a few locations through town starting the week of Thanksgiving.

Cash donations are also needed to cover the costs of providing a holiday meal to each family and to purchase gift items not donated from the sharing trees. Donations can be dropped off at the Wheatland Bank's Davenport branch or mailed to: Christmas Care Project, P.O. Box 684, Davenport, WA 99122. Please call or text Carey Guhlke-Falk at 307-699-4649 for more information.
