SHARING TREE TAGS DUE DECEMBER 1ST
 Sharing trees for Davenport's Christmas Care Project will be up starting Monday, November 13th and organizers are encouraging community members to pick up tags if they haven't already. The deadline to return tags and items is Friday, December 1st. Sharing Tree locations include:

- Davenport Good Neighbor Pharmacy
- Wheatland Bank
- Lincoln Hospital
- and Some Like It Hot Espresso

The Christmas Care Project is a community effort to provide gifts and a holiday meal to families who need some assistance during the Christmas season. Families apply for the project and community members help fill their needs by donating money or picking up tags on the Sharing Trees located at Davenport Good Neighbor Pharmacy, Wheatland Bank, Lincoln Hospital, and Creekside Pharmacy. Monetary donations can be mailed to PO Box 684, Davenport, WA 99122 or deposited into the "Christmas Care Project" account at the Wheatland Bank in Davenport.

Organizers are very thankful for the many volunteers, donations, and contributions made to the project each year.

FAQs:

How are families identified who need assistance?

Families submit an application for the project. Applications are available to them starting in early October and are due at the beginning of November.

What is provided for the families?

Each family is provided with the fixings for a holiday meal, including a Turkey. These items are purchased at Davenport Family Foods with funds that are donated to the project throughout the year. The families identify any needs they have (like snow boots, winter clothes, coats, etc.) and kids are also given a toy and a book. These items are put on tags and placed throughout the community for community members to pick up and fill the need.

What happens to the tags that aren't picked up from the Sharing Trees?

Any tags that haven't been filled by community members through the Sharing Trees are purchased by Christmas Care Project organizers using donated funds. We ensure nobody is overlooked!

Where do the funds come from?

Organizations, groups, and individuals donate money each year to the Christmas Care Project. Without their donations, we would not be able to provide holiday meals or unfilled needs to the families.

How are the meals and gifts distributed to the families?

The Lincoln County Sheriff's Office, along with project organizers, hand-deliver to each family the week before Christmas.

For more information about the Christmas Care Project, please contact Carey Guhlke-Falk at 307-699-4649.

Hello, Lincoln County!

Let's get to know each other.

A big part of the DNA of Intermax Networks is giving back to the communities we live in and serve. Success in our eyes is inextricably linked to the health and prosperity of the communities we serve.

This is not just an initiative but an integral part of who we are. In 2023 we attended dozens of community events, supporting schools and nonprofits through donations, volunteer hours, even participation and board leadership.

Since the beginning, we've strived to be more than just a business. We are a part of the fabric of the community. It is a cornerstone of our culture to give back in ways that make a positive impact and build a better tomorrow for everyone.

As a company, we are not only concerned with the present, but also deeply invested in the future. Whether it is supporting our local schools, service clubs, arts and culture, or agriculture programs - we aim to leave a legacy.

It's not just about making a profit; it is about making a difference.

We want to contribute to what is important to you.

Let us know about the initiatives in Lincoln County – and how we can partner with you to invest in the vibrant communities you choose to work, live in and play.

Are you on social media? Let's be friends. Follow us on Facebook, Instagram, Twitter and TikTok.

All my best!

Sincerely,

Jame Davis
