Thank you to our Town & City Councils

All 8 of Lincoln County's councils faced a difficult task when the County asked them to sign agreements allowing them to build broadband networks in their towns. It was a complicated agreement and took much time and attention, but they made it happen. Now their residents will have the opportunity to connect to super-fast FTTx internet. Please thank your council members & mayors for supporting this effort.

This broadband project update brought to you by the Lincoln County Economic Development Council

ROGER BOND
 went to be with the Lord
 on November 1, 2023.

Roger was born on July 21, 1943 in Republic, WA to Marvin and Alice (Wollweber) Bond. He spent his younger years in Republic and moved to Harrington, where he graduated from Harrington High School in 1961.

Following graduation he joined the U.S. Army and served for four years. He then married Teresa Webster and moved to Harrington, and worked at the saw mill in the canyon. In 1966 he moved to Davenport and began a 35 year career at Safeway, from which he retired in 2001 as a department manager.

Roger and Teresa divorced and he married Pauline Hair in 1974. Roger loved the outdoors and spent many hours hunting and fishing with family and friends. The most important relationship he had was the one he had with the Lord. He was a life long church-goer. He was a beloved member of Davenport Presbyterian Church as the head greeter. He enthusiastically welcomed all who attended church every Sunday.

Roger was preceded in death by his parents, and wife Pauline. He is survived by siblings Edward and (Kay) Bond, Carol and (Mike) Cropper, and William and (Wendy) Bond. He also leaves children Rick and (Melanie), Tina Bond, stepchildren Dorie and (Tim) Hoffer and Jerry and (Kelly) Hair. Roger also leaves behind numerous grandchildren, great grandchildren, nieces and nephews.

A memorial service will be held on Saturday, December 2 at 11 a.m. at the Davenport Presbyterian Church.

In lieu of flowers, donations may be made to Davenport Presbyterian Church.

WHAT IS YOUR FAVORITE PIE?

You need to save room for a slice (or two) of your favorite pie, it's an American tradition! Pilgrims at the first Thanksgiving in 1621 didn't eat the same pie we associate with our Thanksgiving meals, according to Time magazine. Although historians don't know exactly what dishes were made for the first Thanksgiving meal, it's not unlikely they had pie of some sort. The pilgrim's typical pie was inspired by English-style meat pies - much different from our modern apple and key lime pies. But when colonial America gained access to sweeteners such as molasses, cane syrup and honey, pie evolved into the sweet dessert we love today.

What's the favorite pie of Washingtonians? (And Oregonians too?) Merionberry! Marionberries come from Marion County, Oregon. These berries are a cross between two variants of blackberries and were invented in 1956 by George Waldo. In Idaho, pumpkin pie is the way to go. After all, no Thanksgiving feast is complete without it!

How about nation wide? Instacart recently determined which pie flavors reigned supreme. The clear winner for the United States as a whole was (not surprisingly) apple pie with more than 27% of sales going to the traditional flavor. America purchased more than 3.6 million pies through Instacaret last year. That's around 29 million slices. So don't feel too bad about having seconds - you're in good company.

Lincoln County, here's what our customers are saying!

“

Intermax is such a wonderful company. They provide great customer service and are very responsive and easy to reach. The best part is this is a local company – they live and work right here in our community. I recommend them to anyone who needs fantastic internet!
