LOBSTER FOR TURKEY DAY?

Alexander Hamilton proclaimed that no "Citizen of the United States should refrain from turkey on Thanksgiving Day," and Benjamin Franklin thought the wild turkey was an American icon, but turkey was uncommon as Thanksgiving fare until after 1800. So if you're not a turkey fan, what can you have on Thanksgiving? According to what traditionally is known as "The First Thanksgiving," the menu for the 1621 feast between the Pilgrims and the Wampanoag at Plymouth Colony contained waterfowl, venison, ham, lobster, clams, berries, fruit, pumpkin, and squash. William Bradford noted that, "besides waterfowl, there was great store of wild turkeys, of which they took many.*" Next year, maybe some traditional lobster for Thanksgiving?

DAVENPORT LIVESTOCK BOOSTERS would like to thank the buyers and supporters that help make livestock market projects possible for local youth. Our goal is to educate, support and assist members of the Davenport FFA, Davenport 4-H Club and Family 4-H members who are established, active, or enrolled in the Davenport School District with raising livestock market projects exhibited at the Junior Livestock Show of Spokane and Lincoln County Fair.

THANK YOU FOR MAKING THIS POSSIBLE FOR ANOTHER YEAR.
