I would like to thank everyone who checked on me with phone calls and sent cards while I was recovering from hip replacement. They were all appreciated, as was the support offered to Marilyn.

To the people who have never had to go to transitional care here in Davenport, this is one of the hidden gems of our community. I was in their care for 2 weeks. They have a great nursing staff who were efficient and caring. The physical therapy staff knew how to get a new hip operating with minimal pain. I am able to walk and maneuver around my home with confidence. The food service people served fantastic meals every day. A special thanks to Jim Dunning, whose skills created a safer, more accommodating environment at my home.

You are all appreciated.
George Arland

Big thank you to the people who helped me through my last heart issues. Loren Houger and all the Cattle Crew, all of Lincoln Hospital—especially Brandy and Chris in the ER, the Lincoln Co. Ambulance Crew, Distric 10 First Responders, Deaconess and Sacred Heart hospitals. I would also like thank John and Renell Nelson, Yvonne Reppe, Michelle Overmyer and Bob Guhlke for helping Mary. I would also like to point out we do have a very talented younger generation coming up. We are in very good hands.

Thank you all,
Jerry Guhlke

Forever Grateful: I'm sending a thank you to all of the wonderful folks in Lincoln County and our surrounding areas who so graciously provided for me after the Whitney Road wild-fire destroyed my home and my entire ranch. Four years ago, looking deeply into retirement, I purchased the Rustemeyer place and it became the best home I've ever had the pleasure of owning. I had just finished dispersing my dairy goat herd and calves when the fire changed my life forever. I am so glad most of the animals were gone and did not have to try to survive like my horses, cow & calf, and two last goats, were able to do when turned out. My mind had gone blank. At the last minute before being ordered to leave by the District 7 firefighters, we pushed them all out of the barn and into the field. The guys did their best to try and save my home. I saw it in their faces when they told me it was lost. That fact will be remembered. I also need to thank Dusty and Doug Roller for getting back in to the ranch more quickly than I was able to do. They gathered my stock and kept them safe until we could evacuate them to Doug's pasture and Yates Colby's home for safe keeping. Several of my cats were burned, but survived and are doing well thanks to the wonderful care from Wheatland Vet Clinic.

Like the others who also lost so much, I have good days and bad. It will be a while before nightmares and bad thoughts leave my mind. It's still difficult to think clearly. I am just so grateful for the dog and cat food, personal items and the Quilted Hugs quilt. I lost everything but the clothes on my back. I received hay and grain from Jim Gumm, and others from out of the area, a much needed boost as I began to realize winter was coming and I had no hay. I was even given saddles and tack to replace what was lost. I got hay and t-posts from the local FFA groups and it is wonderful to know that high school people are caring so much and lending such a helping hand to us. Every bit helped me so much- the well wishes, the prayers, the encouraging words. But even more important is the fact that my entire community came together to help us all, without asking for anything in return but hope for a speedy recovery from the tragedy. I fell in love with Lincoln County as I moved here and it is solidified now.

Thank you from the bottom of my heart and soul,
Elsie Eide Kelly
