LINCOLN COUNTY LAUNCHES TEXT-TO-9-1-1 SERVICE

9-1-1: Call if You Can, Text if You Can't
 Lincoln County Sheriff Wade Magers announced today that they have implemented Text-to-9-1-1 service effective February 14, 2021 for Lincoln County. T-Mobile, Verizon, AT&T and Inland Cellular Wireless customers in Lincoln County can now send a text message to 9-1-1 in an emergency.

Texting to 9-1-1 is a new, important service. It is intended to benefit people that may not be able to speak due to an emergency such as a home invasion or abusive partner, as well as individuals that are deaf, hard of hearing, or have speech disabilities.

Calling or texting 9-1-1 is ONLY for emergencies. Sheriff Magers reminds everyone "Don't abuse 9-1-1— Be safe, don't text and drive," .

A few things you should know about Text-to-9-1-1

- When texting to 9-1-1 for an emergency the first message should be the location of the emergency (including city) and the type of emergency help needed (police, fire, or medical).

- Keep text messages brief and concise, using full words.

- Stay with your phone, be prepared to answer questions and follow instructions from the 9-1-1 call taker.

- Photos and videos cannot be sent to 9-1-1 at this time.

Remember that Text-to-9-1-1 service is not yet available state-wide. If you send a text to 9-1-1 from a wireless carrier or a city/county without Text-to-9-1-1 service, you should receive a message saying that there is no text service to 9-1-1 available at this time.

For more details and updates about Text-to-9-1-1 go to <http://mil.wa.gov/e911> .
