New COVID Vaccine Tracker launches at lincolnhospital.org

This vaccine information reflects the numbers of vaccines received at and distributed through Lincoln Hospital and Clinics. We are working tirelessly to acquire vaccine from the state and distribute it as immediately and efficiently as possible through our vaccine clinics. However, the demand considerably outweighs the supply. Please call 509.725.7501 to be placed on our wait-list and you will be called and scheduled for the vaccine when the supply is available. You can determine your eligibility for the vaccine at findyourphasewa.org.

Please note: We are scheduling individuals on the waiting list based on supply, eligibility, and level of health risk. If you are currently eligi-

WA Vaccine Distribution Phase: 1B tier 1	
Total Vaccines Received:	800
Total First-Dose Vaccines Distributed:	614
Total Second-Dose Vaccines Distributed:	171
Vaccines received the week of 2/14:	200
First-dose vaccines administered:	200
Second-dose vaccines administered:	30

ble to receive the vaccine, you may still have to wait until the vaccine supply becomes available. Please be patient as we work through the list with the supply we are given.

We encourage our community to call us to be placed on the wait list, even if they are not currently eligible per the state's distribution plan. This allows us to better plan for future distribution phases. If you receive the vaccine somewhere else, please notify us so we can remove you from the list and update your health records.

Our TCU visitor restrictions have been lifted

(see the visiting Lincoln Hospital tab on our covid page)

TCU patients will be able to meet with their loved ones in the Family room of the hospital during the upcoming winter and spring seasons. No visitors will be allowed in the rest of the facility as per our policy. The only 3 exceptions are, a parent with a minor, end of life and patients with a cognitive issue. Visits are limited to 1 hour and they will continue to be scheduled through the TCU HUC/Staff. (2 visitors are allowed per day, preferably at the same time.) Visiting hours will be from 10:00 to 11:00 and 2:00PM to 6:00PM. The housekeeping staff will do a room clean prior to the 10:00AM visiting time. Staff member will wipe down the family room in between visits. Visitors should check in at the Admitting office. Staff will bring out the patient, and for those requiring a 1:1 sitter, that sitter will come with the patient for safety purposes. 6 foot social distancing, masking, and hand washing must be followed at all times for the safety of our patients and staff. A "please do not disturb, family visitation" sign will be placed on the outside of the Family room door. When done visiting, please call staff at the TCU RN Station. (A sign will be posted by the phone). A staff member will come to get the patient, using the provided cleaning wipes, wipe down all the "high touch" areas, and then return the patient to the TCU. All public restrooms are available for visitors EXCEPT in TCU. As TCU is a limited access area, the goal remains to minimize exposure to some of our most vulnerable patients residing with us.

When visiting, please remind the visitors of the following:

- The Café still remains closed to non-employees and visitors.
- At this time we are not allowing any visitors under the age of 18.
- We ask that you remain in the Family room for your visit, and if you need help please call the extensions provided.

Plant the Seed this year with the Lincoln County Conservation District

Gardening, according to Linda Chalker-Scott, an urban horticulturist and professor in the Washington State University Department of Horticulture says, "is great for your mental, physical, and spiritual wellbeing."

Take What You Need, Bring What You Have

The Lincoln County Conservation District is starting a seed library at the Davenport Community Garden! We have packed and labeled a variety of seeds that will be available at the Garden.

Our setup will be open to the public to use in the community garden or in their own. We encourage folks to share whatever extra seeds they may have so that more people can get out and get gardening! This is a great opportunity to plant some colorful and new varieties, or for first-time gardeners to explore some tried and true favorites.

Since we can't wait to get in the garden, we've already started several flats of seeds from our own seed swap! When the time comes, we'll move into a box (or two, or three) at the Community Garden.

To reserve a plot for yourself, contact Davenport City Hall at (509) 725-4352. Each plot is a 4'x8' raised bed and cost \$10 for the season.

MEMORIALS AND DONATIONS WELCOME for the Lincoln County Historical Museum in Davenport. PO Box 585 Davenport, WA 99122. Please help preserve our history.

INSLEE SIGNS \$2.2 BILLION COVID RELIEF BILL

Gov. Jay Inslee signed House Bill 1368, which appropriates \$2.2 billion in federal funding that has been allocated to states in response to the ongoing COVID emergency. The legislation takes effect immediately.

"Our focus this year is relief, recovery and resilience, and this legislation will help us make tremendous progress in all of those areas. Washingtonians have been exemplary in helping limit the spread of COVID-19, but it has not come without its economic and emotional costs," Inslee said. "The process of getting to a post-pandemic era has already begun, and we will come out of this stronger because of legislation like what I am signing today."

In December, Inslee asked the Legislature to act early on COVID relief legislation, and the Legislature responded with HB 1368, which addresses a host of needs facing Washingtonians right now.

The bill provides:

- \$714 million in assistance for K-12 schools
- \$618 million for public health's response to COVID, including testing, investigation and contact tracing; and funding for vaccination efforts
- \$365 million for emergency eviction, rental and utility assistance
- \$240 million for business assistance grants
- \$50 million for child care
- \$26 million for food banks and other food programs
- \$91 million for income assistance, including \$65 million for relief for the state's immigrant population

The House legislation was sponsored by Rep. Timm Ormsby. Sen. Christine Rolfes sponsored companion legislation in the Senate.

"Local communities have done their part to keep us all safe during this pandemic. This bill is just one step the Legislature will take this year to support those who are struggling most in our state," said Ormsby, chair of the House Appropriations Committee. "As we approach the budgeting process, we are keeping our focus on investments that equitably address the needs in struggling communities and help families and small businesses get through this current stage of the pandemic."

THINKING ABOUT LISTING YOUR HOME OR LAND IN 2021?
Don't just list it, MARKET IT!
 with Tina Craig at Windermere Real Estate
"MARKETING is my SPECIALTY"

When you "list" your home or land, you simply put it on the market. When you "market" your property you get **broader EXPOSURE**, bringing in **BUYERS** and getting **TOP DOLLAR** in the current market.

I am a local Windermere Realtor and live in Lincoln on the Majestic Lake Roosevelt. As of January 8, 2021 I've had 68 successful closings of Home and Land purchases in the past 12 months. I am a proven and successful Realtor in the area, working with both Sellers and Buyers. I think I have lived up to my motto of being the "Lake Roosevelt Area Specialist." Other Realtors call me when they have questions, knowing the large presence I hold as a busy local Realtor.

I specialize in all properties located in Lincoln County including Lincoln, Deer Meadows, Seven Bays, Davenport, Creston, Wilbur, Grand Coulee and Electric City.
