The Lincoln Hospital Foundation
 would like to thank everyone who so generously contributed in 2020.

Although in person events were not possible this year, donations from hundreds of individuals, families, businesses and organizations and the support for our Sharing Hearts "non-event" luncheon was amazing. Luncheon proceeds were used to purchase the latest healthcare computer tablets for EMS services in Almira, Creston, Davenport, Edwall, Harrington, Reardan and Wilbur.

The Foundation is looking forward to actively increasing its Endowment Fund as we **"Build for the Future"**. This will make it possible to make a significant financial impact for long-term and short-term needs at Lincoln Hospital and Clinics.

In order to use the dollars given, we have elected not to publish individual names so that donations can be used to fulfill our mission to support and enhance the care available at Lincoln Hospital. All donations are acknowledged and are recorded in a special book located in the Family room at the hospital.

DEPUTY SHERIFF JERAD MCLAGAN PROMOTED TO SERGEANT:

Sheriff Wade Magers announces the promotion of Deputy Sheriff Jerad McLagan to Sergeant effective February 1st, 2021. McLagan's knowledge, skills and professionalism, coupled with his top civil service scoring, made him a good fit on the administrative team. He has served almost 13 years in public safety. McLagan began his career as a Stevens County Reserve in 2008 and was later hired as a corrections deputy. In 2009 he became a police officer in Kettle Falls and was hired by the Lincoln County Sheriff's Office in 2012.

Sergeant McLagan has been very involved in the Lincoln County community, serving in 4-H, FFA, and at the Lincoln County Fair as well as multiple other rodeo organizations. He has been involved in the Sheriff's Office as a defensive tactics instructor, wildland and arson fire investigator, marine patrol, and has extensive interview and investigative experience, bringing a well-rounded skill set to his new role of supervising patrol deputies.

Help us congratulate and welcome Sergeant McLagan to his new position on our administrative team alongside Undersheriff Kelly Watkins, Chief Criminal Deputy Kody Becker, Sergeant Gabe Gants, Chief Civil Deputy Denise Liebing, 9-1-1- Coordinator Jo Gilchrist, Jail Superintendent Lyle Hendrickson and Administrative Assistant Stephanie Dunn. The Sheriff's Office has 33 employees who serve Lincoln County citizens and visitors in our patrol, dispatch, corrections, civil and support capacities. Sheriff Magers says, "I am proud of our entire deputy team who strive for professionalism and service every day."

Welcome to your new role, Sergeant McLagan!

What's black and white and read all over?

**AVISTA PLANNED POWER OUTAGE IN SPRAGUE
RESCHEDULED FOR FEB. 6 DUE TO JAN. WINDSTORM**

Approximately 480 Avista electric customers in Sprague and the surrounding area will experience a planned power outage on Saturday, Feb. 6. The planned outage will begin at 9 a.m. and end at noon. No road closures are expected during this outage.

During this time, Avista crews will perform maintenance to their Sprague substation. The routine maintenance will increase reliability and reduce future outages in the area.

The planned power outage was originally scheduled for Dec. but was canceled due to unforeseen circumstances. Avista rescheduled the outage for early Jan. but due to the unexpected devastation caused by the Jan. 13 windstorm, it was necessary to cancel it again.

"Canceling the Jan. planned power outage for Sprague was necessary as we focused on restoring our customer's power as safely and quickly as possible following the windstorm that wreaked havoc on our region," said Ian Eccles, manager of electric operations in Othello and the surrounding area. "To limit the inconvenience to our customers, due to the colder temperatures at night, we are planning the Feb. 6 planned power outage for the morning. We are grateful for our customer's patience and understanding. We recognize the amount of planning and preparation involved in making arrangements for a planned outage and we apologize for any inconvenience this may cause. This work is important as it will increase the reliability of the service to your homes and businesses. Routine maintenance to our electrical system is critical to providing dependable service. We will work as quickly and safely as possible to restore your service."

Avista customer service representatives have a variety of resources and information available to aid customers in need. Customers who have questions or concerns can contact Avista at (800) 227-9187 for assistance and reference outage number 1239198.

LOW-COST LABS AT LINCOLN HOSPITAL DELAYED

Lincoln Hospital announced this week that their annual low-cost lab draw will be delayed until March or April. The popular lab fair is usually scheduled for the week of President's Day in February at Lincoln Hospital, but due to visitor restrictions at the hospital and COVID safety protocols it will need to be held outside at a later date. An announcement and advertisements will be made in this paper when the date has been set.

The draws offer a comprehensive test profile (including cholesterol, triglycerides, HDL, LDL, glucose, thyroid screen, anemia check, liver and kidney function) for \$38.00 as well as other blood tests that are deeply discounted. These tests normally costs hundreds of dollars and are offered by Lincoln Hospital and Clinics twice a year. More information about the low-cost lab draw can be found at www.lincolnhospital.org/services/laboratory.
