A NOTE FROM THE DAVENPORT SCHOOL DISTRICT

• We miss our students! Please know that we working on reaching out to every student to set up some communication with teachers. This extended school closure is an opportunity to engage in enriching, fun and engaging activities. We are awaiting additional guidance from the state regarding what our senior students need to do to ensure that they will graduate! Please know that we will do everything we can to make this happen!

• School facilities are closed to the public until at least April 24 as per the directive from the Office of Superintendent of Public Instruction (OSPI). All indoor facilities are closed including the weight room and gyms.

• To-go meals are available to children and youth ages 0-18. These meals are FREE to all children and youth and are being funded by the federal school lunch program. In-town meals may be picked up Monday through Friday from 9AM to 11AM in front of the middle school. Out-of-town kids can get the to-go meals from our buses that are going out each morning to deliver. We are operating all of our bus routes to deliver meals at bus stops. We may combine some routes so look for the yellow school bus! **Please go to our new website www.davenportsd.org for updated information.** Meal pick up and drop off times, dates, and locations could change. Please check our website and Facebook page (search Facebook for @davenport_highschool) for the most current information.

• We are delivering meals each weekday to hundreds of kids! Last Friday, we served 566 meals (breakfast and lunch) to 278 kids! Our bus drivers and several of our staff members are delivering a nutritious sack breakfast and lunch on bus routes and we are also serving in-town kids at the middle school as noted above. A special shout out goes to Sarah Sweetser and her amazing crew for all of their hard work in preparing these meals!

• The school district is providing a Chromebook portable computer for each student to use during this emergency closure. Many students have already picked up their Chromebook during the designated times last week or have received their device from their bus driver during meal delivery. For students who still need to get their Chromebook, please call your school (Elementary 725-1261, Middle School 725-0766, High School 725-2260) and leave a message for the secretary or call the district office at 725-1481 and leave a message. Teachers and another staff members are connecting with our students via email and phone calls. Please reach out if you have any questions.

• We want to extend a special thank you to our amazing community! Many of our local business and community members have reached out to the school district and have offered to help in various ways. This is so incredibly generous and just one example of many of why Davenport is such a special place. Thank you!
