SATURDAY, MARCH 6 MARKS THE END OF THE FIFTH BOTTLING SEASON FOR FRUITLAND VALLEY VINEYARD AND WINERY: The Tasting Room will be open and serving food and drink while visitors can observe (and even help!) with the bottling process. This is a rare chance to see a bottling production, as wineries often hire mobile bottling units to complete this arduous task.
 Fruitland Valley explores the full circle of winemaking by growing all their grapes just down the road from the winery, hand harvesting the fruit with the whole family (including some very helpful toddlers), processing the grapes, and finally distributing the finished product at the Winery located in Fruitland.
 Come for the wine, stay for the food, and return for the experience. We look forward to seeing you on March 6th!
