Recovery Navigator Program Case Manager

DUTIES: Provide field-based case management and outreach services to assist program participants in accessing services that meet their needs. Engage participants at the referral location, in the community or at social service provider facilities to establish a working relationship and offer services. Provide assessment of Individuals' needs to determine stressors and targeted intervention points; including housing, income, food, or other needs to improve the individual's overall stability and functioning; ensure that participant's needs are being met. Assist "Outreach and Referral staff" to ensure immediate field-based response when a referral is made. This includes responses during "after-hours/on-call" assigned shifts. For Individuals who are not interested in accessing SUD and/or mental health services, focus on regular and ongoing engagement to ensure a relationship is maintained to ensure that subsequent support can be quickly addressed.

QUALIFICATIONS: High school diploma or equivalent required. Must be able to provide appropriate case management and support services to program participants without impairing their ability to remain in recovery. Computer literacy required – clinical software used. Must have driver's license, Abstract of driving record and Satisfactory criminal history background required. Must have at least 12 months of sobriety.

BENEFITS: Annual salary starting at \$47,815 based on qualifications and experience. Excellent Benefits-health, dental, vision and life insurance, retirement benefits, and PTO.

WORK SETTING: Positions available in Stevens, Ferry and Lincoln County.
