NEWS & NOTES FROM THE DAVENPORT SCHOOL DISTRICT:

• Governor Insee recently closed schools for on-site instruction for the remainder of this school year. This was heartbreaking news and we cannot express adequately how much we miss our students and parents! However, schools are expected to continue with "distance learning". Our district is continuing to reach out to students and parents with this new model of instruction.

• Reminder to students and parents: Please take a few minutes to go to the home page of our website (www.davenportdsd.org) and read the "Dear Gorilla Family" letter.

• Seniors: Keep working hard and stay tuned for updates! The Class of 2020 is amazing!

• We are continuing with our meal service each week day...meal pick up is 9-11AM at the middle school. Meal delivery is also taking place on bus routes. We are serving an average of 300 kids each day!

• We continue working to help address internet connection and availability issues for students and families. We are in the process of exploring implementing "hot spots" and other measures to, hopefully, increase broadband access.

• **Good News!** We were recently notified by the Center for Educational Effectiveness that Davenport High School is one of the top 31 schools in the entire state in demonstrating continuous improvement! We are involved in a study by the Bill & Melinda Gates Foundation that will help share our story. One of the main "ingredients" that has contributed to our success is the fantastic support from our community. Thank you for your continued support!

THANK YOU!

Our staff at the Tribune as well as Pete and Debra want to say "Thank you" for the support from all the local communities. Our lives have been turned upside down with the new challenges of Covid19. We are doing our best to follow the orders of our Governor, but that caused many difficulties. We appreciate all the support from so many of you; I know I speak for all the local businesses in our area. Our thoughts and prayers got out to all the families and local businesses. A thought to remember- please shop and eat locally when you are able. We all need the support so that when this bump in the road is smoothed out your favorite places to eat and shop will still be there for all of us.

With a grateful heart,
 Tribune Smokehouse
