Harrington School District Child Find Screening

Are you worried about your child's development?

- Does your child have a medical disorder or birth defect that interferes with their development?
- Does the child seem to have hearing or vision issues?
- Does your child have difficulty communicating with people outside the family?
- Does your child have difficulty keeping up with other children their age?
- Does your child have issues learning when they are experiencing social-emotional difficulties?

Any child, birth to five, whose family or caregivers would like more information about their child's development can contact their local district to receive a free Child Find Screening.

What happens during a Child Find Screening?

The purpose of a Child Find Screening is to identify issues that may affect your child's learning, growth, and development and to help parents identify their child's strengths and weaknesses.

During the screening, your child may stack small blocks, cut with scissors, draw, count, name colors, jump, and have fun! After the screening, someone will talk to you about the results and you may be given suggestions, a referral for more testing, or scheduled to have skills rechecked later. You will have the chance to ask any questions about your child's development. The whole process takes about 45 minutes!

Where can I go for screening?

All school districts in Washington State have Child Find Screenings available. **We are scheduling Child Find appointments for Friday May 7th between 9am and 12pm.** Please contact the school and we will schedule a time for you to come in for screenings (masks and social distancing required). For more information and to schedule a screening, please contact Will Christianson:

Harrington School District
100 S. First Street Harrington, WA
509-253-4331
wchristianson@harringtonsd.org

If your family is living in a temporary situation, you may contact the district where you are currently staying for a screening.

WAC 392-172A-02040 - School districts shall conduct child find activities calculated to reach all students with a suspected disability for the purpose of locating, evaluating and identifying students who are in need of special education and related services, regardless of the severity of their disability.

Will You Walk With Us?

Sunday, April 25, 2021 11:30-2:30pm

Walk for Water Missions

8th Annual Reardan Community Walk for Water

Begins/ends at Reardan City Park. A family picnic will follow. Everyone in the community is welcome.

- Dress for the weather, wear comfort shoes.
- A wheel-friendly route has been chosen.
- No entrance fee, register at the event, or online at the link below.
- Non-walkers are welcome to celebrate with us at the park
- The course is 4 miles, a shorter 2 mile route is also available

Donations suggested & appreciated; every \$10 raised provides safe water for 1 person for life.

Many people in the world must walk miles daily for fresh water. We are having a 4-mile community walk to carry water in support of Water Missions, which has an international ministry to bring water filtration and sanitation systems to areas in need. For more info, contact Virginia Henderson, 509-993-3625.
