I would like to extend my appreciation and thanks to friends and folks in Harrington for your loyal support and kind, encouraging words during my time as your City Clerk (1980-2019.)

I only wish the end of my career could have been as pleasant as the previous years had been. Those years are filled with happy memories, humorous stories, amazing friendships, a share of emotional moments and strong, caring and loyal leadership that I could always count on. I tried to always promote our community, welcome folks, extend kindness and help when needed. I made an effort to conduct business in a professional and compliant manner.

The friendships I made will always be a very special part of my time at City Hall. The time I spent with past citizens will forever connect me to them. The history these folks shared is priceless. In an effort to preserve some of that history I have just finished compiling pictures and newspaper clippings into several historic notebooks. The Harrington Opera House Society has graciously agreed to provide safe keeping for these books. They are available to anyone interested in Harrington history and a stroll down memory lane.

My foremost job was to be the City Clerk of the City of Harrington, but the fringe benefits were so much more. I loved my job and am grateful to all of you for all you did to make my time so special.

Thank you for all the memories.
