GRAIN ELEVATOR AND SCALE OPERATORS HARVEST/SEASONAL

Highline Grain Growers, Inc. is currently seeking applicants to assist with operation of our grain elevators and scale offices during the upcoming harvest season. These positions are available at our grain handling facilities in and around Harrington, Davenport, Reardan and Four Lakes. Seasonal employees typically work a six week period between late July and early September. Hours of operation for harvest are 7 am – 9 pm Monday through Saturday and 10 am – 6 pm on Sunday. No experience is required. Training will be provided. First time employees will be paid at the current minimum wage level, while returning employees will received an increase in wage for each year that they return. Overtime is paid at 1 ½ times your base wage after 40 hours of work and harvest employees typically work about 50 hours of overtime per week. This is a great opportunity to make a full summers wage in only a six week period! Applications may be obtained on our website at www.highlinegrain.com or can be picked up at our offices in Davenport, Reardan or Harrington. For more information about this opportunity, please call Brad Wiley at 509-559-9029.

ODESSA MEMORIAL HEALTHCARE CENTER "...bringing caring, quality healthcare to our community."

LOW-COST LAB FAIR IS BACK

It's time again for area residents to get a snapshot of their health at the annual Low-Cost lab fair. The event is scheduled for:

Monday through Friday, April 12-16
from 7 – 10 a.m

Participants can attend any time during those hours that week. This year's event will be held at the Lincoln County Fairgrounds in Davenport. Organizers ask that participants enter through the "back gate" of the fairgrounds by the rodeo arena on 14th street. Signs will be posted along highway 2 to identify the entrance.

Tests being performed during the lab fair include a Coronary Risk Profile with Diabetic Screen for \$10, Comprehensive Test Profile for \$38, Prostatic Screen for \$20 and Hemoglobin A1C test for \$20 – a screen for diabetes in people who have previously had elevated fasting blood sugar levels.

A healthy snack and blood pressure check will also be provided. No appointment is necessary, but organizers request that patients have their registration form, payment, and self-addressed envelope ready prior to registering at the event to help registration go quickly. Participants are asked to remain in their cars and will be directed to drive through the registration process. They will then drive to a draw station where they will exit their vehicle to have their blood drawn.

Focusing on cardiovascular health, these blood draws are being offered at a fraction of the true cost. "If you consider the Comprehensive Test Profile, these tests are easily over \$300 if ordered any other time, so \$38 is a great deal," says Lincoln Hospital Lab Supervisor Michael Chain. "With many insurances going to high deductibles, the out-of-pocket expenses for patients are rising. We hope to alleviate the financial burden for patients and provide a convenient opportunity for our community to get a snapshot of their health and discuss this with their primary care provider." Chain noted that some insurance plans cover these kinds of tests in full so patients will need to check with their insurance provider.

Participants are asked not to eat or drink anything but water in the 12 hours prior to testing. "It is very important to drink lots of water before coming in as it makes drawing blood much easier when veins are hydrated," says Chain. Medications can be taken as normal.

Heart disease is the leading cause of death in the United States. "Add to this the prevalence of Diabetes here and you can see how important it is to know the information about your health provided by these tests and to discuss it with your doctor," said Chain.

Registration forms are available at Lincoln Hospital and their clinic locations in Davenport, Reardan, and Wilbur, online at www.lincolnhospital.org/services/laboratory, the Lincoln Hospital and Clinics Facebook page, and in local newspapers.

For more information on the low-cost lab fair, or if you cannot participate during the set hours and need a special appointment, call (509) 725-2973. COVID precautions will be in place and participants are asked to wear a mask.
