Calling all parents of incoming kindergarteners! On May 19, Wilbur Elementary is hosting our annual Child Find Screening and all parents of incoming kindergarten students are encouraged to schedule a time. Creston Child Find and Kindergarten Registration

For the 2021-22 School Year
 Friday, May 14th

CHILD FIND

The Creston School will be offering a Child Find program that provides developmental screening for children between the ages of birth to 5 years in the areas of speech, cognitive skills, motor development, and vision/hearing. The screening is highly recommended for 3, 4, and 5-year-old children. Screening is a free service and will take about an hour. We will also discuss with you your child's development: favorite toys, things they enjoy most at home, and when your child achieved certain developmental goals like walking and talking.

KINDERGARTEN REGISTRATION

It is also once again time to get ready for Kindergarten! Children who will be 5 years of age on or before August 31, 2021 and live in the Creston School District can register for school. Also, if you would like our school nurse to print off your child's immunizations using the Washington State Immunization Database, please contact the Creston School office.
