THE HISTORIC HARRINGTON OPERA HOUSE

MISSES YOU!

April, May, and June are usually busy months for our performance events and HOHS Rummage Fundraisers. During this period of public gathering restrictions due to the Covid-19 virus, we miss all of you and hope you are staying healthy.

We look forward to when we can safely invite you to an event at our historic venue. **In the meantime, our basic overhead costs for utilities, insurance, etc. continue whether or not we are open to the public.**

If you would like to make an extra donation of support, please feel free to use our Support Form: <http://www.harringtonoperahouse.org/HOHSsprtForm.html> or simply send donation to:

FISHING RESUMES AT LAKE ROOSEVELT NATIONAL RECREATION AREA

Beginning May 5, 2020, fishing will resume in Washington and within Lake Roosevelt National Recreation Area in coordination with Governor Inslee's amendment of the Stay at Home—Stay Healthy proclamation. Boat launches are open as water levels allow. Minimum boat launch elevations and the current lake level may be found on our website (<https://www.nps.gov/laro/planyourvisit/boating.htm>). Docks at Kettle Falls, Seven Bays, and Spring Canyon boat launches will also be available by May 5, 2020. Other boat launch docks may become available as the lake level rises. The Spring Canyon boat launch and docks will be closed May 11-21 for paving.

Services at Lake Roosevelt are still limited due to COVID-19 health concerns. Fish cleaning stations will remain closed until further notice. Please take fish home to clean and dispose of properly. As a reminder, Title 36 Code of Federal Regulations 2.14(a)(7) prohibits disposing of fish remains on land or in waters within 200 feet of boat docks or swimming beaches, or within developed areas. Leaving fish remains on the shoreline attracts wildlife, including bear and cougar, putting other visitors in danger.

- The following services and operations will also remain closed until further notice:**
- All campgrounds and toilets.
 - Fish cleaning stations.
 - Water services.
 - Trash collection.
 - If you pack it in, please pack it out.
 - The Fort Spokane Visitor Center.

Please remember that starting May 1, 2020, the NPS will require all boaters complete the aquatic invasive species (AIS) quagga/zebra mussel-free self-certification form. Forms are available at each boat launch and on our website at: <https://www.nps.gov/laro/learn/nature/upload/Zebra-and-Quagga-mussel-certification-reduced-508.pdf>. Together, we can prevent the spread of AIS. Clean, drain, and dry all your water gear!

The NPS encourages people who choose to visit during this pandemic to adhere to guidance from the Centers for Disease Control and Prevention and state and local public health authorities to protect visitors and employees. During this time, the State of Washington encourages everyone to maintain a safe distance of at least six feet from other people, recreate locally with your family group, and stay home if you are sick. As services are limited, the NPS urges visitors to continue to practice Leave No Trace principles, including pack-in and pack-out, to keep outdoor spaces safe and healthy.

Updates about NPS operations will be posted on www.nps.gov/coronavirus. Please check with www.nps.gov/laro for specific details about park operations.

the Confetti Column

Let's use this space to offer encouragement, thanks, or just a kind word. Send your messages to parksprint@centurytel.net no later than Friday at noon and we'll publish it right here in the Confetti Column each week!

Thanks to **Tyler Zaugg**, PAC-C, and his MA **Lindsey Haguewood** for always taking good care of my father-in-law. You both genuinely care for your patients and you go above and beyond to meet people with dignity. Thank you! ~Darren Mattozzi

Thank you to all the Dam workers! You have continued to keep the power supply going without interruption to our daily routines. You are unsung heroes in our every day lives. We have seen some of you work 14 days straight on 12 hr shifts, some of you have had to learn how to do your job with minimal resources available, and some of you continue to check in every day from home to make sure everything runs smoothly. Thank you!

Thank you to **Mandy Hinkey** for calling when **the good chocolate** came in at Davenport Pharmacy! Talk about above customer service. ~Ashley

A special thank you to 3 women who are chasing down high school students to make sure they are staying on track. Whether they are knocking on doors, driving by students houses, daily text messages, or just trying to make sure the seniors are getting a special senior year, they are giving their all to our HS Gorillas. Thank you **Elesha Johnston, Nita Woodland, and Jean Parsons** for going above and beyond during these times!

Thanks to all the staff at Serene Meadows for providing a comfortable home environment and loving care for our family members, for filling the role of family and friends who can't visit right now, and for taking the necessary steps to keep all the residents safe during the virus craziness. (We appreciate the photo and video updates on your FB page, too!) ~ Chris Hoppes

Way to go community members for supporting your community. Keep eating out, shopping local, supporting businesses that are closed right now, supporting local farmers, and helping Ag students with their animals for Jr. Shows. You guys are what make the community thrive.

Thank you these local businesses for sponsoring this space for our communities!

NEWS & NOTES

FROM THE DAVENPORT SCHOOL DISTRICT

• **Special thank you to our teachers!**

Last week was National teacher Appreciation Week. Our teachers care about kids and they are working very hard on providing education in a "distance learning" format. If you are a parent, student, or community member, please take a moment to send a nice note to a teacher...it will be greatly appreciated!

• **Graduation Ceremony Update:**

At this time, graduation is still scheduled for the original date: **Saturday, June 6**. We are communicating with the Governor's Office and with the Lincoln County Health Department for a **possible** "drive-in" graduation ceremony at the football field on the evening of June 6 for graduates and their families. There are also plans that senior parents are working on for some type of parade! These events are not set in stone, they are options being explored. We promise to keep you posted.

• **Important Message for the Class of 2020 from Mrs. Parsons:**

One of the special moments during graduation is the senior slide show and we want to continue this special Gorilla tradition! We need you to send us 4 pictures to be included in the slide show by **Wednesday, May 13th!** You have three options to get us your pictures:

1. You can email them to senior2020@davenportsd.org and include your name.
2. Put them in the drop box on the outside bench by the district office front doors and title the envelope "Senior Slide Show" with your name and return address (so that we can get the pictures back to you).
3. Deliver to Mrs. Parson's newspaper box and title the envelope "Senior Slide Show" with your name and return address.
