HAWK CREEK ROAD BST/CHIP SEALING
Notice of Road Closure

Lincoln County Public Works is in the process of chip sealing Hawk Creek Road #5554, from M.P. 3.50 (start of gravel section south) to M.P. 9.10 (North gate of the Hawk Creek Estates development).

For the last three weeks the road has been prepared for this chip seal by ditching, hauling gravel and adding culvert extensions. This process requires traffic control in various forms such as construction signing, flaggers (paddle man) and pilot cars. So far, the public has been very cooperative and safe while we complete these activities. However, there are portions of the roadway which will be closed to thru traffic during the initial chip seal which will start on 6/19/23 and run through 6/22/23. The closure is necessary in order to complete a successful chip seal and keep the local traffic safe.

Lincoln County is requiring motorists to use the north exit of Hawk Creek Road during these periods, 6 am to 6 pm, M.P. 3.50 to M.P. 9.10. Although this could be more time-consuming and inconvenient, we appreciate your patience during this short period of construction.

Internal traffic located within these construction limits should expect moderate to long delays while proceeding in either direction.

If you have any questions regarding the closure period or construction on the project, please call Lincoln County Public Works office at 509-725-7041 or visit our website for more information. www.co.lincoln.wa.us

It's a New Day For Healthcare in Lincoln County!

Since coming aboard as the new CEO, I've been impressed by the warm reception I have received. It's great to know our entire staff has a passion for delivering exceptional healthcare with the strong support from our Board of Commissioners and community members.

More Services, Technology and Access!

Even having more than 20 years of experience in this industry did not prepare me for the wonderful surprise of discovering more advanced technology and specialized healthcare services than I could ever have imagined, such as our partnership programs or ever-growing network of clinics. I'm also excited about the upcoming projects Odessa Memorial Healthcare is working towards, including the ongoing acquisition of new equipment and the progress of building renovations and department expansions.

We're also fortunate to have an exceptional team of skilled physicians, nurses and healthcare professionals, all equipped with the expertise you might think was only available in a big city, and dedicated to providing the personal touch level of care you can count on from your hometown hospital.

A founding member of the Grand Columbia Healthcare Alliance serving residents and families of Adams, Grant and Lincoln counties, I'm proud to know that Odessa Memorial Healthcare Center offers our communities a great choice for healthcare! It is our ongoing goal to consistently provide more than you may expect - **all right here, close to home!**
