The Davenport School District Board of Directors would like to invite any and all community members to a Retirement Reception beginning at 7:00pm on Wednesday, June 29th, 2022

following the conclusion of their meeting in order to celebrate the magnificent career of outgoing Superintendent Mr. Jim Kowalkowski.

Mr. K as everyone affectionately calls him, has served as the Davenport School District Superintendent for the past 15 years. During Jim's amazing tenure in Davenport, he helped guide the district in winning numerous prestigious academic awards including a National Blue Ribbon award in 2019. Additionally, he worked closely with the board of directors, the staff, community, and its patrons to pass a bond that helped re-model the existing elementary school and build a brand new middle school, which opened during the 2012/2013 school year. Mr. Kowalkowski has been a tremendous advocate for the students of the Davenport School District at the state level. He is a walking example of what it means to be a servant leader; he has gone above and beyond for the students and staff here in Davenport and has left a legacy that will last for generations!

We look forward to seeing everyone there to celebrate and congratulate Jim, as we all wish him well in his next journey. **Once a Gorilla, Always a Gorilla!**

ATTENTION: The Davenport Senior Center is in danger of having to close its doors and losing its ability to provide our meal program for senior citizens.

Due to the present economy; high cost of fuel, rising cost of food, Covid restrictions (past and ongoing); and the loss of many of our members and financial support of those members the senior center is in danger of having to close its doors.

The Davenport Senior Center provides meals to approximately 30 local seniors three days per week. They work closely with the local hospital and clinic with presentations to help seniors stay healthy and safe in their own homes. Aging and Adult Care Of Central Washington works out of the Senior Center office several days per month, helping to coordinate care for local seniors.

The Senior Center is in process of acquiring a food service contract with the State of Washington, but this is taking longer than expected. Although we have applied for several grants, they have not been forthcoming and funding is urgently needed to help keep our doors open to the seniors of the Davenport community.

We are desperately seeking all donations and grants.

If you can help us, please contact the Senior Center at 509-725-7055 or contact Carl Clark, President at 509-641-2178 or davenportseniorcenter@gmail.com
