JOEY BUCK HAS WON THE PACE AWARD.

PACE is an acronym for Partners Advancing Character Education. The PACE Awards are an opportunity to honor and celebrate students who demonstrate the importance of good character. Cheney, Medical Lake, and Davenport School Districts each nominate one student to represent their school. Joey was nominated in the West Plains chapter. We are so very proud of him. Each month features a character trait of the month, the focus of a multi-faceted communications, motivation and educational program. Joey is the son of Jeremy and Rossie Buck and grandson of Gary and Sharon Buck.

Congratulations Joey!

Neighbors for Life!

Lincoln Hospital is hiring Registered Nurses. We are a community of care givers delivering every day on our mission to provide compassionate and personalized care that is accessible for all. Nurses who work at our facility care for a variety of patients, experience low patient ratios, and develop stronger relationships with patients.

Job Requirements: Graduate from an accredited school of nursing; Current RN license; Prior patient care experience in acute care and/or long term care setting; BLS, ACLS, NRP, TNCC, PALS certifications current or obtained within six (6) months of employment.

Preferred Qualifications: At least six-months nursing experience in a hospital, critical access or rural hospital setting

Choose Lincoln Hospital:

- Nurses will have the opportunity to strengthen their nursing skills with diverse opportunities that transpire within a critical access hospital.
- Lincoln Hospital is a teaching and mentoring facility; allowing professional growth for both the experienced and new nurse.
- Nursing has the opportunity to obtain, share, and educator colleagues with newfound research and trending available services a critical access hospital provides.
- Nurses have the ability to provide full scope of care to patients of all specialties; from pediatrics, emergency services, adult critical care, and geriatric.

2021 STURGEON FISHING AT LAKE ROOSEVELT

As sturgeon fishing season begins the National Park Service reminds all boaters, that completed Aquatic Invasive Species (AIS) mussel free self-certification forms are required before launching watercraft at Lake Roosevelt National Recreation Area. This includes those with annual boat launch permits and non-motorized watercraft. Because compliance with this requirement has been low, on June 1, 2021, law enforcement rangers will begin ticketing vehicles that are not properly displaying this form. This is the next progression of the AIS prevention program introduced in early 2018.

The bright pink self-certification forms are available at each boat launch or through our website at: <https://www.nps.gov/laro/learn/nature/upload/Zebra-and-Quagga-mussel-certification-reduced-508.pdf>. After following the flowchart and completing the form, place it on the dashboard of your launch vehicle where it can be easily seen. If you only boat within Washington State, boaters will only need to complete the form once per season. If you launch your boat outside of Washington State, you will need to complete the form before you launch at Lake Roosevelt again. Watercraft coming from outside of Washington should be cleaned, drained, and fully dried (dry time may be up to 30 days) or have valid proof of inspection within the last 30 days, before launching in Lake Roosevelt. It is important to remove all dirt, plants and water from boats, trailers, and other water gear prior to launching every time.

The Washington Department of Fish and Wildlife (WDFW) recently announced a harvest fishery for white sturgeon, starting June 12, 2021 until further notice, in Lake Roosevelt from Grand Coulee Dam to China Bend Boat Ramp, including the Spokane River from Highway 25 Bridge upstream to 400 feet below Little Falls Dam, Colville River upstream to Meyers Falls, and the Kettle River upstream to Barstow Bridge. (See the rule change at WDFW FISHING RULE CHANGE: White sturgeon fishery to open on Lake Roosevelt (wa.gov))

The daily limit is one sturgeon and the annual limit is two sturgeon. Only sturgeon between 50 and 63 inches fork length (from the tip of the snout to the fork of the tail) can be retained. WDFW regulations require anglers to bring retained whole sturgeon to shore prior to cleaning to allow checks for compliance with the slot size limit rule.

As a reminder, Title 36 Code of Federal Regulations 2.14(a)(7) prohibits disposing of fish remains on land or in waters within 200 feet of boat docks or swimming beaches, or within developed areas.

For more information, check www.nps.gov/laro.

HORSING AROUND:
 A pony goes to the doctor and tells him, "Doc, I think I'm dying. I have this terrible sore throat."
 The doctor assures him, "It's okay—you're just a little horse."

Benefits of being vaccinated:

- ✓ Vaccines approved in the US are safe and very effective at preventing COVID-19, especially severe illness and death.
- ✓ You may safely visit inside a residence unmasked with other fully vaccinated people.
- ✓ If you are exposed to COVID-19 and are not symptomatic, you do not need to quarantine and miss school, work, and other aspects of life.

Let us help you with your past-due energy bill.

The Power of Compassion

The pandemic has been financially hard on many. Avista cares and is doing something about it—by providing COVID-19 debt-relief grants to help residential customers who are behind on their energy bills.

If you have a past-due balance, you may qualify to receive funds to pay some or all of what you owe.

The grants are available through September 30, 2022 or until funding runs out—whichever occurs first. So please, call us today.
