Why is Some Fiber Aerial & Some Fiber Underground?

Whenever possible, fiber is being attached to existing utility poles. Where there are no poles, fiber must be buried underground and this work is being completed first. All underground fiber is complete in Almira and crews are now working on poles. Underground has started in Creston and is anticipated to start in Harrington the week of July 24.

A New Mission

And a New Day for Healthcare!

Pictured (L-R): Jena Meise, Board Member; H.P. Carstensen, Board Member; Brian Fink, Board Chair; Dee Deife, Board Member; Jeff Schibel, Board Member

As the Board of Commissioners at Odessa Memorial Healthcare Center, we are united in purpose and dedicated to a single mission: presenting our hospital as the primary center for healthcare excellence in Odessa and our surrounding communities!

We understand how important it is for our community to have a hospital of which we can all be proud. That means continually moving forward, offering more choices for advanced healthcare at every turn. Acquiring new equipment, expanding services and growing our teams, creating new partnerships and so much more, is all guided by our commitment to excellence.

After all, this is the place we trust for our own healthcare needs!

Thank you for trusting Odessa Memorial Healthcare Center over the years, and as we move ahead with fresh commitments to even greater service and healthcare in our communities, we ask for your continued support so that we, in turn, may continue serving our family, friends and neighbors who walk through our doors with the dedication and compassionate care they deserve - *right here, close to home!*

Wildfire season is here.
 Avista is ready.

Dry vegetation and high winds increase the chances of wildfires. But Avista is doing our part to keep our system and communities safe.

We are partnering with property owners to remove or trim trees near our lines. We are making improvements to make our system stronger. And we are changing operations when hot, windy forecasts are predicted. In areas of higher risk, we can set the system to be more sensitive, meaning we don't try and reenergize automatically if something comes in contact with a line. We physically patrol the line when it's safe to make sure there is no fire danger before reenergizing.

Our system is built to keep outages to a minimum but help us keep you informed. Log in and update your contact information on our website. Also sign up to receive power-outage alerts by text or mobile app.

Click the word "outage" in the top navigation to locate the page. We just want to keep you safe.

Learn more about our wildfire measures at myavista.com/wildfire

DAVE DASHIELL

Passed away June 9, 2023 at his home in Hunters, WA due to complications from a hip replacement surgery. He was 66. He was a life long cattle and sheep rancher. Therefore, that made him a strong advocate for preserving all aspects of ranching. Dave was the real deal, a true American. He will be truly missed and never forgotten. The family will be holding a memorial service July 28, also Dave's birthday, at the ranch in Hunters.

If you have a pickup and stock trailer or a semi, please arrive in one of them. In honor of Dave, there will be a convoy performed through the mountains of Hunters before the memorial starts. The convoy leaves the ranch at high noon. Ranch address is 4089 Lessig Rd., Hunters, WA 99137. A dessert or salad is welcomed. Memorial contributions may be given to CPOW at PO Box 47, Ritzville, WA 99169. The family will also be having a bench built in memory of Dave. If you have a branding iron, please bring it to brand the bench.

Licensed, Bonded and insured

Jody Elizabeth Fox-Schulz, 54, of Yuba City, CA, passed away on May 3rd 2023, due to complications of heart failure.

Jody was born on May 4th, 1968 to Norman Kenneth Fox and Elaine Naomi Fox in Oakland, CA. Jody attended Fremont Christian High School and graduated in 1986. She then attended Cal State Hayward, East Bay. Shortly after she married Keith Schulz, she moved to Spokane WA. Together, they started a chiropractic business, hog farm, and gave birth to three children.

Jody lived a full life. She loved traveling the world and enjoying the finer things, but you could also find her delivering hogs on their farm in Washington or in a gymnasium cheering on her kids.

Jody's passion was helping those in need. She was a devoted woman of God. Her legacy lives with those whose lives she touched. She spent her life serving her family and friends with giving hands and an open home. As Proverbs 31:20 says, "She opens her hands to the poor and reaches out her hands to the needy." Jody cared for any child that walked through her home and spent her life making sure they were raised. She loved, fed, and prayed for all the children in her life.

Twenty-five years later, she returned to California. Jody built a new life with Scott Sorensen and his three children. In her final years, she volunteered at NRA dinners and homeschooled the girls. However, nothing thrilled her quite like being a grandmother, "Grammy" as they called her.

Jody was predeceased by her father Norman and her grandparents Raymond and Rose Lugo. She is survived by her mother Elaine Fox, her children, Ryan Schulz, Jacquelynn Schulz, and Lauren Schultz, four grandchildren, Duke, Luca, McKenzie, and Logan, also Scott Sorensen, and his children, Dallas, Kimber, and Harley Sorensen.

Jody's remains will be interred in Reardan, WA on July 29th. Proceeding the burial, there will be a Celebration of Life Drop-in at the house of Grant and Lauren Schultz from 1 PM-4 PM. For directions to the residence, contact Lauren at Lauschultz1@gmail.com.
