**DIRECTOR DISTRICT BOUNDARY CHANGES PROPOSED**

*Affects school board elections only, not schools*

Every ten years, after each U.S. Census is completed, school districts must review the boundaries of their board of directors to ensure equitable geographic representation. Davenport School District is divided into three geographic regions or districts for each board seat, and two at large positions. Candidates for school board must run for the seat of the director district they live in. By creating three equal director districts, geographic diversity is ensured on the school board. Each position is elected by all district voters, so each of the five directors represents the entire district in their board actions.

These boundaries are completely unrelated to school attendance boundaries: this process will not change any neighborhood school boundaries.

In April 2022, the district contracted with Sammamish Data Systems to develop a proposal for new director district boundaries based on the latest census data and geographic boundaries to better serve the district.

A presentation and public hearing on this proposal will be held at the July 27, 2022 school board meeting, which begins at 6pm. Current and proposed maps are also available on the district website, [www.davenportsd.org](http://www.davenportsd.org). The first reading of the proposal is scheduled for the July 27, 2022 board meeting. The second reading and proposal and potential adoption of the proposal is scheduled for the August 22, 2022 board meeting. The board must adopt new director districts by November 15, 2022.

**PUBLIC NOTICE**

**DVENPORT SCHOOL 2022-2023 BUDGET**

The Davenport School District #207, Lincoln County, Washington, has completed preparation of a budget for fiscal year 2022-23 and a four-year budget plan. The completed budget and a summary of the four-year budget plan are on file in the school district administration office located at 801 7th Street, Davenport, WA. A copy of the budget and summary of the four-year budget summary will be furnished to any person at the above address and will also be posted on the district's financial reports webpage.

The Board of Directors of Davenport School District #207, Lincoln County, WA, will meet in a public meeting on Wednesday, July 27th, 2022 at 6:00 p.m. in the Elementary/Middle School library at 601 Washington street and online via webinar, for the purpose of adopting the 2022-23 budget and the four-year budget plan. Any person may appear at this meeting and be heard for or against the adoption of the 2022-23 budget and four-year budget plan. The webinar link will be posted on the district website at [www.davenportsd.org](http://www.davenportsd.org).

Any inquiries regarding this notice should be directed to Chad Prewitt, Superintendent, Davenport S.D. at (509) 725-1481.

**CANDIDATES FOR LINCOLN COUNTY SHERIFF**  
The Lincoln County candidates provided a lot of good information from the interviews. Lincoln County is growing all of the time. With the growth comes growth in crime. The county needs more deputies now. At this time, the county has two very well trained deputies who could become the next Lincoln County Sheriff. They are Mr. Brian Telford and Mr. Gabe Gantz. Lincoln County needs one of these two men now, not next year. No matter who is voted in, I hope everyone will support the Sheriff and deputies all the time. Law Enforcement needs the support of everyone in the county.

**Wildfire season is here.**  
Avista is ready.

Dry vegetation and high winds increase the chances of wildfires. But Avista is doing our part to keep our system and communities safe.

We are partnering with property owners to remove or trim trees near our lines. We are making improvements to make our system stronger. And we are changing operations when hot, windy forecasts are predicted. In areas of higher risk, we can set the system to be more sensitive, meaning we don't try and reenergize automatically if something comes in contact with a line. We physically patrol the line when it's safe to make sure there is no fire danger before reenergizing.

Our system is built to keep outages to a minimum but help us keep you informed. Log in and update your contact information on our website. Also sign up to receive power-outage alerts by text or mobile app.

**Click** the word "outage" in the top navigation to locate the page. We just want to keep you safe.

Learn more about our wildfire measures at [myavista.com/wildfire](http://myavista.com/wildfire)
