NEWS & NOTES FROM THE DAVENPORT SCHOOL DISTRICT

We continue to plan for in-school learning this fall.

We are confident that we can meet the Department of Health and OSPI (Office of Superintendent of Public Instruction) rules and guidelines that we will be required to follow. It won't be easy and there are many challenges but our dedicated staff misses our amazing students! We are partnering with a distance learning company to provide a strong and exciting curriculum that we will use for in-person learning and during school closures that may occur due to COVID-19. This curriculum will also be available for parents who choose to keep their kids home. Please stay connected with our district!

• **The survey results are in!** Please read the recent parent letter that is posted on the front page of the district website (www.davenportsd.org) which addresses many of the questions we have received from our recent parent survey about reopening school this fall.

• **Please mark your calendars** to join our "virtual town hall meeting" for parents that will take place on **Wednesday, July 29 at 7PM**. This meeting will start with a brief presentation on our school reopening plans followed by a Q & A session. Check the front page of our website for directions on how to join this virtual meeting.

LINCOLN COUNTY VOTERS

"If we are to guard against ignorance and remain free, it is the responsibility of every American to be informed." ~Thomas Jefferson.

We, in Lincoln County are voting. In this Primary Election we are choosing candidates to run in the General Election in November. Our goal should be to keep the folks with conservative values and smart agendas in office, and elect more.

The list of candidates for Governor is confusing, and many of us have strong opinions on who their favorite candidate is. The goal is to choose a candidate that can beat Inslee in November. One with resources, experience and smart ideas on how to address a myriad of problems in our state. Winning in November should be the goal.

Traditionally the Lincoln County Republican Central Committee does not endorse one Republican candidate over another in the Primary. It's our personal job to do our homework and pick a winner for the November ballot. And no matter who wins the gubernatorial race, we should rally around and support that candidate with our dollars and our time. We need a new Governor and the way to do that will be to support which ever Republican candidate wins the Primary. Support him with our dollars, our time and our voices.

VOTE your Ballot! VOTE your ballot! VOTE your ballot!

LINCOLN COUNTY BROADBAND EXPANSION GROWS CLOSER TO REALITY
 Washington State's Community Economic Revitalization Board (CERB) recently awarded Lincoln County a broadband planning grant to study and design countywide broadband expansion options. Key components of the project include building a minimum 1 Gbps fiber-to-the-premises network in Lincoln County's eight incorporated communities, eliminating coverage gaps in unincorporated areas, and evaluating a management plan that would include a long term partnership with the County's project consultant, Petrichor.

Petrichor, a new broadband cooperative of six Washington Port Districts, brings the legislated ability to manage the network and provide publically operated high-speed middle-mile infrastructure to ISPs. Petrichor's model shares the cost of fiber over multiple ISPs, lowering their cost of doing business. Lower overhead costs will attract more ISPs and that brings more options to Lincoln County citizens.

A publically operated network is a strategy to position Lincoln County for growth. With increasing industrial development in west Spokane County and the expansion of the federal government cluster in Grand Coulee to the east, a high-speed Lincoln County will be the ideal location for commercial, industrial, and residential development.

This project builds on years of planning initiated by the installation of ARRA fiber through Lincoln County in 2012. Since then, Lincoln County Commissioners and the Economic Development Council have prioritized high-speed broadband for all. This study is a major milestone toward construction. For more information contact Margie Hall, Director of the Economic Development Council at Margie@LincolnEDC.org.

BITE 2 GO IS BACK

The Davenport Ministerial Alliance will once again be providing weekend food packages for students in the Davenport School District who have a need. Each package contains enough nutritional, ready-to-eat or easy to prepare food for a weekend.

Students who wish to receive these packages will need to complete a form which is available at the elementary school office. This program is intended for students on free or reduced lunch; however, anyone may participate. This program is a coordinated effort with the DMA and the Second Harvest Foodbank. Participating local churches include Zion Lutheran Church, Davenport Presbyterian Church, Davenport Methodist Church, Harvest Celebration Church and Trinity Bible Fellowship.

This program is funded by donations from the participating churches and individuals. We are currently working to secure funds to cover the costs for the 2020-2021 school year. The cost to support one child for the year is \$180, this provides a package of food each weekend throughout the school year. We are looking for annual sponsors but will accept any donation amount.

Our need is great this year, the pandemic cancelled our community worship, from which the offering went to help fund this program.

If you would like to help support this program, please send your check to: Davenport Ministerial Alliance, c/o Zion Lutheran Church, PO Box 95, Davenport, WA 99122. Make checks payable to Davenport Ministerial Alliance and designate it for "Bite2Go". If you have any questions, they can be directed to Rev. Stacey Friedlein, Zion Lutheran Church at 509-725-9217.
