A Heartfelt Thank You!

I am honored to have served as superintendent for the Davenport School District for the past 15 years. I cannot adequately express my sincere THANK YOU to this amazing community for the support and encouragement you have provided. Davenport School District has incredible students, a dedicated staff that cares about kids, a hardworking school board, supportive and involved parents and community members who understand that "it takes a village to raise a child". I wanted to offer a special shout out to my family for all of the support they have provided, especially Debra, my amazing wife. I am so very thankful to live in this small but powerful village named Davenport. "Once a Gorilla, Always a Gorilla".
