FULL TIME HVAC Project Manager

Earn 60K – 80K or more, plus benefits! Working Locally!

Now taking applications for a self-motivated individual who wants to be part of a winning team! Kysar Mechanical Inc. is looking for a motivated individual for our residential Project Manager.

Please email a resume and cover letter to this advertisement to admin@kysarmechnical.com

What we offer: Health, dental & eye for employees, Vacation, Holiday Pay (7 paid), Incentive performance plan, Matching 3% 401K

Position Overview: Full time position Monday through Friday with emergency after hours installs, 99% working local, Project Manager of heating cooling systems in residential work environment, Clean work environment

Job Overview: A Project manager's main objective is to manage and deliver the experience our client purchased from to be completed as per blueprint promised in the strategy room.

Good project managers are people with an excellent entrepreneurial mindset. This allows them to think about a project beyond the basic skill set needed to manage it., it is the project manager's job to direct teams and team members to the finish line. At the end of the day, the project's success or failure rests solely on the project manager's shoulders, and he or she is the one responsible for the end result.

Project managers keep knowledge and information flowing seamlessly. They need both technical know-how and first-hand knowledge of the tasks they assign to others to keep the project moving forward. But technical know-how does more than enable project managers to communicate ideas effectively to all those involved. Good project managers use their technical understanding to win team members' respect. Since project managers influence more decisions than anyone else in the company, their primary task is to use what they know to not just win employees' respect but keep it throughout the project and into the future.

CARE & SHARE FOOD BANK & THRIFT STORE
 202 13th, Davenport.
 Open Wednesdays 11 am to 5 pm.
 No one should go hungry in Lincoln County.

NEW OPPORTUNITIES FOR CARE AND SHARE

As we have served the Davenport community over the years, the needs of many have risen dramatically. While our facility has always been small, the new buildings constructed adjacent to us have caused some difficulty unloading our food trucks and decreased our client parking space. Food from several agencies is also available to us, but we have no storage to accommodate their delivery. Fortunately, a property more suited to our needs has become available.

Because of our limited funding, we are asking our community to aid us in the purchase of this new property. Anything is greatly appreciated to help meet our goal of \$20,000. All funds donated are tax exempt. Please contact Director Cindy Warner, (h) 509-725-0223 (c) 509-721-0284 of donate to Care & Share at the Davenport branch of Wheatland Bank.
