**REARDAN POLICE
DEPLOY NEW TASER 7
AND AXON BODY
CAMERAS**

The Reardan Chief of Police Andrew Manke would like to thank Airway Heights Police Chief Bradley Richmond and his officers CPL Mike Suniga and Detective Aaron Madison for facilitating the training and deployment of the cutting edge of non-lethal Taser technology for the Reardan Police Department. With the assistance of Airway Heights PD, Reardan has now deployed the new Axon Taser 7 with all fulltime and reserve officers with the force. The new taser technology in tandem with new Axon body cameras has provided the Reardan Police Department with the most current technology available for law enforcement to date. Reardan Police patrol vehicles have been equipped with signal units that automatically activate the body cameras when the stop lights are turned on during traffic stops, and the body cameras also automatically turn on when the new Taser 7 is armed. All body camera footage and taser deployment data is then transmitted to the cloud for data storage and retrievable as audio and video evidence for court or for use of force reports for taser deployments. Reardan is the first law enforcement organization in Lincoln County to deploy this cutting-edge law enforcement technology. The new tasers and body cameras were purchased with approval of the Reardan City Council as a commitment to modernize the Reardan Police Department to be able to better serve and protect the citizens of Reardan.
